The Spiritual Dimension of Alternative Medicine Ernest M. Valea, 2020-02-20

We often hear that alternative medicine is superior to classical medicine for it treats us holistically both the physical body and the immaterial part of our

nature Although such an approach seems desirable it is precisely this aspect that opens the door to spiritual views incompatible with Christianity Many forms of alternative medicine speak of a divine essence we allegedly possess of a vital force that we can manipulate of spiritual beings that can help us and other such views closely related to Eastern religions and New Age thought In their desire to find healing at any price Christians often resort to these methods without realizing the spiritual danger involved For Christians who want to live consistently with their faith this book is intended to raise awareness of the hidden beliefs of alternative medicine

Eastspirit: Transnational Spirituality and Religious Circulation in East and West Jørn Borup, Marianne Qvortrup Fibiger, 2017-08-28 Mindfulness yoga Tantra Zen martial arts karma feng shui Ayurveda Eastern ideas and practices associated with Asian religions and spirituality have been accommodated to a global setting as both a spiritual religious and a broader cultural phenomenon Eastern spirituality is present in organized religions the spiritual New Age market arts literature media therapy and health care but also in public institutions such as schools and prisons Eastspirit Transnational Spirituality and Religious Circulation in East and West describes and analyses such concepts practices and traditions in their new Western and global contexts as well as in their transformed expressions and reappropriations in religious traditions and individualized spiritualities back in the East within the framework of mutual interaction and circulation regionally and globally

From Quantum Physics to Energy Healing Johanna Blomqvist, 2018-05-22 What is the energy transmitted in energy healing What can science and research say about energy healing Doesn't modern science rule out phenomena like this Does energy healing work and if so how Physicist Johanna Blomqvist's book will give answers to these questions Astonishing accounts of healings omitted by mainstream media led her to a journey that is still continuing In the book she tells about her path to energy healing and her own extraordinary experiences The obvious question was how to fit these experiences to the scientific model she had learned Energy healing and such topics as subtle energy the effect of mind on healing and remote healing are usually perplexing to those used to an everyday materialistic worldview In the book energy healing is approached from the viewpoint of known modern science Could quantum physics give answers to energy healing After all one could say that according to quantum physics we are all one and the same vibrating energy at the subatomic level Besides quantum physics the book also addresses the questions of mind and consciousness The book has been written as an aid to those who wish to broaden their horizons or are already practicing energy healing yet could use tools for telling others about it The book is also meant for everyone who may be seeking support from complementary medicine About the Author Johanna Blomqvist Ph D is a physicist entrepreneur Reiki master teacher remote energy healer and internationally published author In her work she combines a wide variety of fields and methods in a unique way often discussing topics from the cutting edge and unconventional areas of science Blomqvist is also a sought after lecturer and trainer Blomqvist's first book From Quantum Physics to Energy Healing A Physicist's Journey to Mind and Healing was published on Amazon on May 2018 She has written also Hyperreality Beyond

the Horizon where Physics Meets Consciousness 2021 and The Mystery of Water A Physicist's Dive into Our Deepest Essence In her book From Quantum Physics to Energy Healing A Physicist's Journey to Mind and Healing Dr Johanna Blomqvist provides a stimulating and informative introduction to the phenomenon of anomalous energy healing along with the story of her own journey of exploration I heartily recommend it to anyone who is drawn to the topic of alternative healing and desires to learn more about it Brenda Dunne President ICRL International Consciousness Research Laboratories
