Reincarnation In The Early Christendom:

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same

Nothing Merciful Than Reincarnation Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God s will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God s law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God s demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God s salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17 20 21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as

the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The Bible clearly states that David himself will be reincarnated in the Last Days Hosea 3 4 5 Ezekiel 34 13 24 Ezekiel 37 22 24 Jeremiah 30 1 9 In Acts 15 12 19 the apostle Peter equated rebuilding David's fallen tent with the resurrection of Jesus' body In the Bible tent is a metaphor for the human body 2 Corinthians 5 1 2 Peter 1 12 13 Part 8 provides references resources and links related to reincarnation and Christian reincarnation in particular Internet links to websites provided include reincarnation main websites and researchers references

Lehtipuu, Michael Labahn, 2025-10-01 This collection of essays investigates signs of toleration recognition respect and other positive forms of interaction between and within religious groups of late antiquity At the same time it acknowledges that examples of tolerance are significantly fewer in ancient sources than examples of intolerance and are often limited to insiders while outsiders often met with contempt or even outright violence The essays take both perspectives seriously by analysing the complexity pertaining to these encounters Religious concerns ethnicity gender and other social factors central to identity formation were often intertwined and they yielded different ways of drawing the limits of tolerance and intolerance This book enhances our understanding of the formative centuries of Jewish and Christian religious traditions It also brings the results of historical inquiry into dialogue with present day questions of religious tolerance The book contains contributions by Ismo Dunderberg Carmen Palmer Michael Labahn Nina Nikki Anna Liisa Rafael Sami Yli Karjanmaa Galit Hasan Rokem Israel Yuval Paul Middleton Outi Lehtipuu Elizabeth Dowling and Amy Jill Levine **The Case against Origen and**

Reincarnation Eric Liberatos, 2015-12-18 The Case against Origen and Reincarnation surveys the writings of Origen the most important Christian thinker between Paul and Augustine whose life straddled the third and fourth centuries By placing his work in the context of his theological predecessors Eric Liberatos uses this analysis to trace the development of Origen's distinctive doctrines such as reincarnation His review of the history of the period concludes that Origen's condemnation by ecumenical councils arose from the virulent polemics and contentious politics of various ecclesiastical leaders of the period The Case against Origen and Reincarnation will appeal to all who seek to understand the development of Christian thought and the influences of politics and personality on the church's theologies Award winning book that earned acclaim from the prestigious Next Generation Indie Book Awards 2016 Winner in Religious Non fiction 2016 Finalist in Historical Non fiction

who experienced recurrent or vivid dreams attributed to a previous life In the fourth section the author compares European cases suggestive of reincarnation with those of other countries and cultures *Building a Noble World* Shiv R.

 language English abstract In this contribution I am not looking for confrontation with those who believe in a doctrine of
 reincarnation Nor do I want to be a dogmatic know all or the kind of person who superciliously dismisses the faith context of
 two world religions i.e. Hinduism and Buddhism Explicitly what I am offering is a clear positive statement of the Christian faith
 itself which has been increasingly called into question in our society in recent decades Unfortunately this questioning goes
 hand in hand with a by now widespread religious indifference on the part even of those of our fellow citizens who regard
 themselves in the broadest sense as adherents of the Christian religion My critique is therefore quite deliberately addressed
 to those within the Christian fold who would attempt to fabricate a western style syncretizing version of the doctrine of
 reincarnation and amalgamate it with Christian convictions **Collected Wheel Publications** Various authors, V. F.
