Nation Joel Edward Goza, 2024-09-24 Joel Edward Goza dismantles the deep seated myths that perpetuate white supremacy and makes the case that reparations are necessary to heal America's racial wounds and live up to our democratic ideals. Like many well intentioned white people Goza once believed that he could support Black America's struggle for equality without supporting reparations. Reparations he thought were altogether irrelevant to the real work of racial justice. This is a book about why he was wrong. In fact any effort to heal our nation's wounds will fail without reparations. In *Rebirth of a Nation* Goza exposes lesser known aspects of racism in American history and how Black people have consistently been depicted as responsible for their own oppression to justify slavery, Jim Crow, mass incarceration and gross inequality. Goza's iconoclastic and incisive account exposes how revered figures like Thomas Jefferson and Abraham Lincoln embedded white supremacy deep into our nation's consciousness and how Ronald Reagan manipulated this ideology so that society cheered as he advanced a set of policies that wounded our nation and intensified Black America's suffering. But *Rebirth of a Nation* is not merely about accountability. It is also about hope. A reparations process is not a utopian dream. Goza offers a practical path toward closing the racial wealth gap. *Rebirth of a Nation* shows readers how they can join the reparative process working toward the creation of a more perfect union.

Is John's Gospel True? Maurice Casey, 1996 This study demonstrates that the Gospel attributed to John gives an inaccurate account of the life and teaching of Jesus. It shows that this Gospel was finished during a fierce conflict between the Johannine community and the Jewish community. During this conflict the Johannine community hailed Jesus as God and declared that the Jews were children of the devil. They attributed their beliefs to Jesus and portrayed him as quarrelling with the Jews as they did. Consequently this document is fiercely anti Jewish and has been used to fuel anti semitism. reasons for the author to challenge the fitness of John's Gospel to be in anyone's sacred scriptures.

However as readers of this excellent book will learn there are other very credible explanations that explain why people are born with different advantages, disadvantages and handicaps and account for what people believe to be past life experiences.

Hendrie,2021-06-19 Good works follow salvation they do not earn salvation Good works do not save us The works of faith are those works ordained and performed by God through the believer They are the result of faith It is that perfect faith that justifies the believer For by grace are ye saved through faith and that not of yourselves it is the gift of God Not of works lest any man should boast For we are his workmanship created in Christ Jesus unto good works which God hath before ordained that we should walk in them For we are his workmanship created in Christ Jesus unto good works which God hath before ordained that we should walk in them Ephesians 2 8 10 In Romans chapters 6 and 8 Paul explains faith without good works cannot save Paul says that God s elect walk not after the flesh but after the Spirit Romans 8 1 He states that those who do not walk in the Spirit but instead walk in the flesh shall not inherit the kingdom of God Galatians 5 15 25 John explains If we say that we have fellowship with him and walk in darkness we lie and do not the truth But if we walk in the light as he is in the light we have fellowship one with another and the blood of Jesus Christ his Son cleanseth us from all sin 1 John 1 6 7 James asks a rhetorical question What doth it profit my brethren though a man say he hath faith and have not works can faith save him James 2 14 James succinctly explains that faith without works is dead James 2 20 The pronouncement in James that
