Reincarnation Channeling And Possession:

Reincarnation, Channeling, and Possession Loyd Auerbach, 1993 Discusses the connection between reincarnation channeling and possession and examines the evidence for each Encyclopedia of Reincarnation and Karma Norman C. McClelland, 2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices *Knowing the Facts about Channeling and Crystal Work* John Ankerberg, John Weldon, 2012-08-30 When men and women willingly give over their minds and bodies to spirit entities and these spirits enter and control them using them to heal or to give teachings and other information this is called channeling Crystal work uses crystals to invoke the spirits The spirits claim they can assist people toward true individual social and spiritual enlightenment Channeled spirits claim to be wise and loving entities but are they What is their real purpose The authors examine the potential problems and dangers that can occur through channeling along with a biblical evaluation of the practice

Reincarnation in America Lee Irwin, 2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional The New Age Movement and the Biblical Worldview John P. Newport, 1998 John Newport delivers a comprehensive study of the impact of New Age beliefs on contemporary culture and on Christianity itself while also offering an effective biblical antidote to today s worldview crisis After first surveying the historical development of the New Age worldview from ancient times through important tendencies in nineteenth century America to recent Far Eastern influences Newport explores in depth eleven key areas of the New Age worldview and contrasts each area of belief with the traditional biblical worldview *The Whispers of the Spirit: Unraveling*
