**The Hangman and His Wife** Nancy Dougherty,2022-05-24 An astonishing journey into the heart of Nazi evil a portrait of one of the darkest figures of Hitler s Nazi elite Reinhard Heydrich the designer and executor of the Holocaust chief of the Reich Main Security including the Gestapo interwoven with commentary by his wife Lina from the author s in depth interviews He was called the Hangman of the Gestapo the butcher of Prague with a reputation as a ruthlessly efficient killer He was the head of the SS and the Gestapo second in command to Heinrich Himmler His orders set in motion the Kristallnacht pogrom of 1938 and as the lead planner of Hitler s Final Solution he chaired the Wannsee Conference at which details of the murder of millions of Jews across Nazi occupied Europe were toasted with cognac In The Hangman and His Wife Nancy Dougherty and following her death Christopher Lehmann Haupt masterfully explore who Heydrich was and how he came to be and how he came to do what he did We see Heydrich from his rarefied musical family origins and his ugly duckling childhood and adolescence to his sudden flameout as a promising Naval officer he was forced to resign his Naval commission after dishonoring the office corps by having sex with the unmarried daughter of a shipyard director and refusing

to marry her Dougherty writes of his seemingly hopeless job prospects as an untrained civilian during Germany's hyperinflation and unemployment and his joining the Nazi party through the attraction to Nazism of his fiancée Lina von Osten and her father along with the rumor shadowing him of a strain of Jewishness inherited from his father's side And we follow Heydrich's meteoric rise through the Nazi high command from SS major to colonel to brigadier general before he was thirty deputy to Heinrich Himmler expanding the SS the Gestapo and developing the Reich's plans for the Jewish solution And throughout we hear the voice of Lina Heydrich who was by his side until his death at the age of thirty-eight living inside the Nazi inner circles as she waltzed with Rudolf Hess feuded with Hermann Göring and drank vintage wine with Albert Speer

**Hitler's Hangman** Robert Gerwarth, 2011-11-15 A chilling biography of the head of Nazi Germany's terror apparatus a key player in the Third Reich whose full story has never before been told Reinhard Heydrich is widely recognized as one of the great iconic villains of the twentieth century an appalling figure even within the context of the Nazi leadership Chief of the Nazi Criminal Police the SS Security Service and the Gestapo ruthless overlord of Nazi occupied Bohemia and Moravia and leading planner of the Final Solution Heydrich played a central role in Hitler's Germany He shouldered a major share of responsibility for some of the worst Nazi atrocities and up to his assassination in Prague in 1942 he was widely seen as one of the most dangerous men in Nazi Germany Yet Heydrich has received remarkably modest attention in the extensive literature of the Third Reich Robert Gerwarth weaves together little known stories of Heydrich's private life with his deeds as head of the Nazi Reich Security Main Office Fully exploring Heydrich's progression from a privileged middle class youth to a rapacious mass murderer Gerwarth sheds new light on the complexity of Heydrich's adult character his motivations the incremental steps that led to unimaginable atrocities and the consequences of his murderous efforts toward re-creating the entire ethnic makeup of Europe This admirable biography makes plausible what actually happened and makes human what we might prefer to dismiss as monstrous Timothy Snyder Wall Street Journal A probing biography Gerwarth's fine study shows in chilling detail how genocide emerged from the practicalities of implementing a demented belief system Publishers Weekly A thoroughly documented scholarly and eminently readable account of this mass murderer The New Republic

**The Assassination of Reinhard Heydrich** Callum MacDonald, 2011-10-04 On 4 June 1942 one of the most powerful figures of the Nazi regime died in agony from wounds sustained during an assassination attempt in Prague This is the story of the killing of Reinhard Heydrich a man of extraordinary intelligence ruthlessness and ambition who had risen from obscurity to become head of the Nazi security police and Governor of Bohemia Moravia Regarded by many as Hitler's most likely successor he was feared and hated even by other high ranking Nazi officials Heydrich's death caused shockwaves throughout the Nazi leadership provoking ferocious reprisals against Czechs and Jews Those who carried out the assassination were hunted down and trapped like rats in the cellar of a Prague church committed suicide rather than face the certainty of torture and execution at the hands of the SS Based on original archive material interviews with surviving

members of the Special Operations Executive who trained the Czech assassins in the UK and Czech military intelligence

*The Assassination of Reinhard Heydrich* Charles River Editors, 2015-04-11 Includes pictures Describes Heydrich's war career the plot to kill him and the aftermath of the assassination Includes online resources and a bibliography for

further reading Includes a table of contents Since it is opportunity which makes not only the thief but also the assassin such heroic gestures as driving in an open unarmoured vehicle or walking about the streets unguarded are just damned stupidity which serves the Fatherland not one whit That a man as irreplaceable as Heydrich should expose himself to unnecessary danger I can only condemn as stupid and idiotic Hitler Cloak and dagger adventure with daring commandos parachuted deep behind enemy lines to kill a sinister mastermind belongs chiefly to the realm of thriller novels or films However World War II stretched over such vast territories and affected so many hundreds of millions of people that nearly every possible human interaction from the vilest to the noblest and from the most pedestrian to the exotically adventurous achieved reality at some point during the conflict The assassination of Reinhard Heydrich stands out as one of the war s most remarkable secret operations The man with the iron heart as Adolf Hitler dubbed him made a fitting target for the dramatic events which unfolded in Prague on May 27th 1942 According to testimony by the historian Michael Freund He is one of the greatest criminal figures of the Third Reich Nowhere in the histories of the Third Reich has Heydrich been awarded his rightful place He is a man of outstanding significance a criminal mind of Luciferic grandeur Dederichs 2009 17 During the early stages of the war the Reich Protector often walked the streets of Prague alone or with just one or two escorts and he also favored an open topped Mercedes 320 C convertible which left him fully exposed to snipers bomb throwers and the like Though he was ordered by the Fuhrer to install armored plates inside the seat backs to limit the effect of grenades hurled into the interior of his vehicle these armor pieces remained idle in the castle garage on the date of Heydrich s assassination By contrast Heydrich found time to have expensive horsehair upholstery installed in the touring car providing a springy comfortable ride That would be all the good fortune a British trained team of Czech assassins would need Even though the assassination attempt was mostly botched to the extent that the assassins initially assumed they had failed shrapnel from an anti tank grenade caused the top Nazi official severe injuries killing him a little over a week later Even as Heydrich lay mortally wounded Hitler and the Nazis planned severe reprisals and the most notorious would come at Lidice which the Germans tenuously and incorrectly linked to the plot The Nazis ultimately razed the small village to the ground and killed every male over the age of 15 in town before sending the remainder off to concentration camps The Assassination of Reinhard Heydrich chronicles the plot to kill one of the top Nazi officials and the aftermath Along with pictures of important people places and events you will learn about the assassination of Heydrich like never before in no time at all Reinhard Heydrich Ray R. Cowdery, Peter Vodenka, 1994 **The Killing of Reinhard Heydrich** C. A. *Assassination of Reinhard Heydrich* C. A. MacDonald, 1989 SS Obergruppenfuhrer Reinhard Heydrich rose through the ranks from relative obscurity in the 1920s to the pinnacle of power in the Third Reich by 1936 He was considered the most dangerous man in Nazi Germany after Hitler himself He was Himmler s deputy yet even Himmler feared him He operated in

secret quietly devoting his time to organising the Holocaust On 27 May 1942 a Czech agent part of a team of parachutists trained by SOE threw a bomb at a passing Mercedes Heydrich was travelling in Eight days later he died in agony from his wounds The assassination sent a shock wave through the Nazi leadership and provoked ferocious reprisals against Czechs and Jews the most notorious of which was the total obliteration of Lidice and the massacre of its inhabitants Based on original archive material and interviews with surviving members of SOE and Czech military intelligence this story of danger and tragedy is as exciting and strange as a spy thriller

**The Holocaust and History** United States Holocaust Memorial Museum, 2002-07-02 The Holocaust and History examines the various disputes surrounding the Holocaust examining why it should have come about how different sets of people reacted to it and what lessons should be learned for the future Mike Whicker, 2004-01-01 While working on a top secret project for the U S Navy in 1942 in Evansville Indiana a Jewish metallurgist falls in love with a beautiful woman who is the Nazis top spy and who was sent to the United States to steal the very secret he holds and that could alter the course of the war

**Reinhard Heydrich** Günther Deschner, 1977

**Heydrich, Hitler's Most Evil Henchman** Charles Wighton, 2017-07-11 THE MAN WITH THE IRON HEART Hitler called him The man with the iron heart yet Reinhard Heydrich was utterly different from those other iron men who served the Führer Gifted with intellect charm and great courage Heydrich used his outstanding talents to create the Nazi Security Service the notorious SD Sicherheitsdienst thereby becoming one of the most powerful figures perhaps the most evil influence of all in Nazi Germany Charles Wighton through unprecedented co operation on both sides of the Iron Curtain has had access to top secret Nazi Party files to official sources in East Germany to highly secret records in Czechoslovakia and to the frank recollections of Heydrich's widow The result is a fascinatingly detailed revelation of the rise of this diabolical genius Through Heydrich's racial campaigns which gathered their own momentum after his death six million Jews were murdered by 1945 And yet this son of a cultured upper middle class Roman Catholic family who became the real power behind Himmler was himself blackmailed by the Führer for possessing non Aryan blood In addition to clarifying this aspect of Heydrich's astonishing career the author throws new light too on Plan Ost the blueprint for the extermination of thirty million Slavs and on the mystery surrounding Heydrich's assassination in 1942 Here then is the full story of the man with the iron heart Heydrich Hitler's most evil henchman
