Reinhart in Love

BY THOMAS BERGER

THIS astonishing novel tells the story of a young American who goes home again, to the Midwest. Just discharged from service in World War II, Carlo Reinhart is a large and good-hearted young man — intelligent, and also something of a fool. He wishes everybody would win, but he has little faith. With enormous relish Mr. Berger recounts his involvements with Claude Humboldt, the demonic real estate man; with Carlo's Negro friend, Splendor Mainwaring who believes in a Higher Life; with a fraudulent enterprise called Cosmopolitan Sewers; and with a girl named Genevieve Raven. The uproarious humor of *Reinhart in Love* leaves a permanent effect on the reader because it flashes with the truth.

Thomas Berger is fascinated by the American scene, and by the romance of the humdrum. In a way wholly his own he examines housing developments, gadgets, G. I. education, hypochondria, and above all, married life. But no matter how far he ranges, Mr. Berger tells his story with disturbing suspense. It is impossible to forget Carlo Reinhart and his friends, or the tone of voice of Thomas Berger.
