based on their personalities and character traits In a similar way names given in biblical times had much to say about the character prophetic calling or circumstances at the time of a person s birth For instance Jacob s name he stole the firstborn blessing from Esau means supplanter or trickster God later changed his name to Israel which means He will be a prince with God or One who prevails with God In the final book of the Bible one of the promises given to overcomers is that they will be given a new name See Revelation 2 17 It is very clear that names are important Grow in your knowledge of God s nature and character Have a greater understanding of Scripture Find a biblical name with specific meaning and purpose for your child
