Bishop Bishop William H. Willimon, 2012-04-01 As a church leader it s easy to make the wrong move and find yourself in a bad position What to teach How to teach What to do were the three questions Wesley employed at his first conferences In sixty previous books Will Willimon has worked the first two This book is of the What to do genre Many believe the long decline of The United Methodist Church is a crisis of effective leadership Willimon takes this problem on As an improbable bishop for the last eight years he has laid hands on heads made ordinands promise to go where he sends them overseen their ministries and acted as if this were normal Here is his account of what he has learned and more important what The United Methodist Church must do to have a future as a viable movement of the Holy Spirit

The Church We Carry William H. Willimon, 2025-08-05 Breaking faith finding grace wisdom for leading divided churches in divisive times Trusted and respected leader Will Willimon explores how failures in leadership and theological vision contributed to our current denominational crisis Through the lens of a South Carolina historic congregation this book offers a critical analysis that will enlighten today s congregational leaders on navigating the complexities of ministry in our uncertain future As a retired United Methodist bishop and expert in ordained leadership Willimon reflects on a simple to ask but

complicated to answer question What has become of the church that shaped his faith Focusing on Buncombe Street Methodist Church he examines their journey through disaffiliation to shed light on leadership challenges within our denomination including his own role This insightful resource provides a candid exploration of the realities of ministry today inviting us to confront our grief and shortcomings while embracing our duty to serve Christ s church in the present moment Gain valuable insights from real life experiences learn from those labeled as schismatic and discover practical strategies for effective leadership in today s evolving church landscape *The Remnant Spirit* Douglas E. Cowan,2003-11-30 Over the past few decades mainline Protestant denominations in North America have been experiencing a significant decline in membership active participation and financial contributions In the midst of this decline these denominations have been caught up in a variety of controversial religious ecclesiastical and social issues a shift from neo orthodox to liberal theology the advent of inclusive liturgical and biblical language denominational support for often controversial social issues and heated debates around human sexuality particularly the place of homosexuals in the church To address these issues and concerns and to recapture the traditionalism many feel their churches have abandoned the remnant faithful those who choose to stay in their churches have formed a number of reform and renewal movements Cowan examines these emergent social movements providing anecdotal and lively examples of their activities their arguments their identities and their approaches to strengthening their churches Rather than leave denominations which they regard as increasingly hostile to theological and ecclesiastical traditionalism many mainline Protestants have chosen to stay and fight for their churches forming reform and renewal movements intended to address hot button issues in the way their churches function and practice These conservative reform movements however are often vilified by their more liberal co religionists and not infrequently regarded as theologically immature doctrinally stagnant and ecclesiastically belligerent *The Remnant Spirit* demonstrates that these are simplistic and reductivist analyses that only serve to avoid the very issues around which reform movements emerge and evolve The author provides an in depth examination of four major North American denominations and the various conservative reform and renewal movements taking place in each while acknowledging that every mainline Protestant Church in the U S and Canada is contending with similar issues and addressing them in similar fashions Here the voices of the remnant faithful those that contribute to denominational discussions as they are experienced by ordinary church members and leaders alike are presented and discussed in a thoughtful and lively manner *Practicing Passion* Kenda Creasy Dean,2004-04-26 Youth and the Quest for a Passionate Church **Spiritual Entrepreneurs** Rev. Dr. Mike Slaughter,2011-12-01 *Spiritual Entrepreneurs* tells the story of an innovative pastor and leadership team who intentionally led their church to take spiritual risks By using six principles renewal can come to any church These six principles are focus on 1 Jesus Christ 2 the Bible 3 new forms of worship 4 a commitment to membership 5 equipping lay people for ministry and 6 spiritual leadership Slaughter believes that church leaders are inspired to work tirelessly when they hear or learn of good

news stories He also believes that covenants Christianity training and an innovative small group structure are vital in producing high commitment members The Pluralistic Vision Milton J. Coalter, John M. Mulder, Louis Weeks, 1992-01-01 Essays in this valuable book examine the results of research on theological education in the twentieth century spiritual formation among seminarians and the changing nature of Presbyterian related colleges Several essays review Christian education among Presbyterians focusing on the forming of curricula and publications from denominational presses Through its examination of American Presbyterianism the Presbyterian Presence series illuminates patterns of change in mainstream Protestantism and American religious and cultural life in the twentieth century Pastor William H. Willimon, 2010-09-01 Ordained ministry says Willimon is a gift of God to the church but that doesn't mean that it is easy Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more complex and challenging Is the pastor primarily a preacher a professional caregiver an administrator Given the call of all Christians to be ministers to the world what is the distinctive ministry of the ordained When does one's ministry take on the character of prophet and when does it become that of priest What are the special ethical obligations and disciplines of the ordained In this book Willimon explores these and other central questions about the vocation of ordained ministry He begins with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and then moves on to what pastors do looking at the distinctive roles the pastor must fulfill The book also draws on great teachers of the Christian tradition to demonstrate that while much about Christian ministry has changed its core concerns preaching the word the care of souls the sacramental life of congregations remains the same Ordained ministry is a vocation to which we are called not a profession that we choose To answer that call is to open oneself to heartache and sometimes hardship yet given the one who calls it is to make oneself available to deep and profound joy as well The Wings of Worship Kenneth R. Burcham, 1992 Kenneth Burcham gives abundant information about the background of worship forms He helps readers approach the parts of a worship service with a good sense of interpretation and meaning I recommend its use with classes of lay people who are interested in growth in their spirit Harriet Miller Administrator First United Methodist Church Dayton Ohio The Wings of Worship is an excellent introductory study course for congregations to gain a greater understanding of the people's role in public worship Ten sessions are offered in the course with each focusing on a different element of worship Discussion questions conclude each session Topics include Traditional worship Liturgical year Tools of worship Sacraments Rituals and celebrations Creeds and prayers The book includes evaluation forms a questionnaire on worship and a bibliography section Kenneth R Burcham is pastor of the United Methodist Church West College Corner Indiana He is a graduate of Ball State University Asbury Theological Seminary and United Theological Seminary This is his first book published by CSS **Beyond Playing Church** Michael Slaughter, 1994 **Doctrine and Theology in the United Methodist Church** Thomas A.
