Relating to People of Other Religions M. Thomas Thangaraj, 1997 M Thomas Thangaraj appeals to American Christians to focus more on the similarities between Christians and devotees of other religions than on the differences

The Living Church ,1997 **The Interfaith Alternative** Steven Greenebaum, 2012-04-01 There is no them there is only us celebrating our common humanity Whatever your spiritual path chances are that the primary tenets of your faith include universal love acceptance and compassion Yet three thousand years after Moses twenty five hundred years after the Buddha two thousand years after Jesus and fifteen hundred years after Muhammad we are still divided by our differences Religious intolerance discrimination even persecution and violence make up the not so golden rule The Interfaith Alternative shows us how we can celebrate each other without fear of losing our own identity It illuminates the path to creating a nurturing spiritual community that honors and includes all religious languages an alternative to Jews worshiping only with Jews Christians with Christians and Muslims with Muslims In doing so it demonstrates that through coming together in a mutually supportive environment we can concentrate on our shared desire to remake the world into a compassionate loving place At its core Interfaith is about community and justice Once we truly embrace diversity we embrace our common humanity A powerful antidote to the current climate of fear and mistrust The Interfaith Alternative argues that it is not how we encounter the sacred but what we do about it that counts there are positive alternatives to religious lines in the sand Steven Greenebaum is an Interfaith minister whose experiences directing choirs of different faiths and denominations have helped him to understand the profound wisdom of many spiritual traditions Steven has dedicated his life to working for social and environmental justice He is the founder of the Living Interfaith Church in Lynnwood Washington Process and Pluralism Zhihe Wang, 2013-05-02 This book offers a uniquely process relational oriented Chinese approach to inter religious dialogue called Chinese Harmonism The key features of Chinese harmonism are peaceful co existence mutual transformation and openness to change As developed with help from Whiteheadian process thought Chinese harmonism provides a middle way between particularism and universalism showing how diversity can exist within unity Chinese harmonism is open to similarities among religions but it also emphasizes that differences among religions can be complementary rather than contradictory Thus Chinese harmonism implies an attitude of respect for others and a willingness to learn from others without reducing the other to one's own identity that is to sameness By emphasizing the possibility of complementariness a process oriented Chinese harmonism avoids a dichotomy between universalism and particularism represented respectively by John Hick and S Mark Heim and will make room for a genuine openness and do justice to the culturally and religiously other

J. Philip Wogaman, 2014-01-01 This book's ten easy to read chapters show readers what Christians can learn from different religions achieving insight into love sin ritual the importance of myth to convey truth the foundational roots of Christianity the dark side of Christian history and many other important ways to see and interpret the world and to understand God Original **THE GUIDE TO ANSWERING ISLAM** Daniel Janosik, 2019-01-26 The average Christian knows somewhat how dangerous radical Islam is because of the regular media coverage of beheadings of Christians Jews and even young little children not to mention Muslims with which they disagree However the average Christian does not know their true beliefs just how many there are to the extent they will go to carry out these beliefs Daily we find Islamic commentators on the TV and radio offering up misleading information quoting certain portions of the Quran while leaving other parts out When considering Islamic beliefs other Islamic writings must be considered like the Hadith or Sunnah and the Shariah or canon law While Islam in general does not support radical Islam the vast majority do support radical beliefs For example beheadings stoning for adultery or homosexuality suicide bombings turning the world into an Islamic state and far too many other heinous things THE GUIDE TO ANSWERING ISLAM provides Christians with an overview of Islamic terminology The reader will learn about Muhammad's calling the history of the Quran how Islam expanded the death of Muhammad and the splinter groups that followed In addition the three sources of their teaching six pillars of belief five pillars of Islam the twelfth Imam and much more will be discussed While there are several books on Islam and radical Islam this will be the first that will prepare its readers to communicate effectively with Muslims in an effort toward sharing biblical truths THE GUIDE TO ISLAM will be an effective evangelism tool In addition each chapter will end with review questions helping the reader recall the main points of the chapter Therefore it can be studied alone or in a church Bible study setting THE GUIDE TO ANSWERING ISLAM has the contents constructed in a way that will greatly serve the Christian Church There are many recent books written by Christians about Islam and there are many books written recently about radical Islam However none of these recent books attempts to do what has been done which is to give an adequate portrayal of Islam critiqued by history and Christian doctrine and then culminating in an extensive evaluation of the rise of Radical Islam from a Christian's perspective **The Popular Handbook of World Religions** Daniel J McCoy, 2021-03-23 A Christian's Guide to the World's Most Prominent Religions Meeting people from other religions is an incredible blessing and a unique challenge As Christians
