Relationships Made By God:

Relationships Made by God Paul M. Stevens, 1999-01-01 **Marriages Made in Heaven** Dan Evangelist Jones
iii, 2008-11 Marriage made in heaven is more about what you do than what you say many have vowed much but vouched for little Pastor Dan E Jones III Today's thought of marriage is antiquated out dated old school and believed not necessary or convenient Television watching has bombarded our minds with images of cheating broken uncommitted selfish and shackled up relationships Also in this 21st century television programming with its images have fortified itself in the minds of our generation as strongholds nullifying the desire for marriage as well as blinding the appreciation for what God requires in Christian and married relationships Marriage is the transparency of salvation and salvation of marriage you can trace relationship troubles in one it will speak of the identical trouble in the other Fear not faithful through this anointed book God is revealing what he desires to see in married and saved relationships The cover is blown on the enemy's tactics that cause many to despise holy matrimony and to settle for compromising convenient and unholy relationship with God and your spouse Marriages that are made in heaven and like salvation has its identity and internal workings in Christ Christ is the Author and Procurer of them both The copyrights belong to Him therefore his divine intent and requirements are still effective and still in effect When you look at God's redemptive plan for relationships marriage and salvation has identical DNA How do we obtain the type of marriage God has ordained for us Identify the Twins Understanding the Engagement Process Knowing What Love Have to Do With It The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series **From the Love of God** William R. Krueger, 2012-02-09 This book contains a layman's approach to comparisons between life experiences and religious principles in the form of poetry with biblical references Mr Krueger is well versed in the Bible and in the skills necessary to raise a solid family and lead a good life These abilities have provided him with a deep insight into the workings of human nature and are highlighted in layman friendly poetry David Richard Ellmann MS Educational Administration BS Broadfield English Certified Junior and Senior High School Principal Superintendent of Schools and PhD Word in High Educational Administration **If God Made the Universe, Who Made God?** Holman Bible Publishers, 2012-02-01 Perhaps you remember being in a university class feeling frustrated when the

respected professor dismissed questions from a student because of her religious faith Or maybe over a business lunch one of your colleagues referred to Christianity as a fairytale and you said nothing Many Christians find themselves in such situations but don't speak up because they don't fully realize the strength of their own position They feel incapable of giving reasons for the hope that is theirs Christian apologetics is the discipline and growing body of knowledge that equips believers to address their own doubts to converse with seekers and critics from a position of strength and to bear witness to Christ with confidence In the spirit of the title question If God Made the Universe Who Made God collects 130 essays written in defense of the Christian faith Contributors include some of the pre eminent apologists of our time from Lee Strobel and Charles Colson to Hank Hanegraaff J P Moreland and Ravi Zacharias The content is grouped into ten topics Apologetics Introductory Issues Jesus Christ Science and Faith Cults and World Religions The Existence of God Ethics Theology The Scriptures Heaven and Hell Evangelism The Living Church ,1953 *Compassionate Love and Ebony Grace* Kortright Davis,2012-03-22 Why is the Golden Rule so central in almost every culture and religion What is it that drives human beings to do good to others Are altruism compassion and forgiveness natural forms of human behavior or do they have to be learned and practiced in the neural context of our primal instincts for survival and self defense These are some of the questions that lie behind the study of Compassionate Love amongst people of color Davis explores the patterns and contours of other love which he defines as a selfless regard for the well being of others He also examines the basis for distinctive modes of compassionate behavior enriched by ebony grace a theological attribution for people of African descent This text focuses especially on the historical cultural and religious heritage that inspires and empowers such attitudes in spite of constant encounters with systemic negation social alienation and unrelenting racism How is it that Black families in the home school and church still support sustain and succeed in the practice of unyielding love in compassion That is the magic and mystery within contemporary Black cultural norms and moral values This text is a powerful attempt to contribute to the debate on Christian altruism To Love as God Loves Roberta C. Bondi,1987 Being a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned *God'S Love Conquers All* Keith Ritter,2016-09-30 In this book you will find some amazing things about love that you never knew existed A love that goes beyond our mental intellect comprehension or capacity and a pure love that is holy unblemished honest and freely given without cost performance wages or sins Gods love is a Supreme Divine Love that is higher than any love in the earths realm a love reserved for the human race that is only given by a Holy God Awesome God an Amazing God a Wonderful God that we can hear speak to and enter into a relationship of knowing through his Holy Spirit and Son Jesus Christ Gods love is a divine power and a force that moves forgives cleanses delivers heals restores protects prospers saves and empowers with strength We only get to

experience a portion of God's love on the earth and the rest of it when we get to heaven based on our inability of what our mind can conceive is how majestic the love of God is. This love is an Agape love that surpasses the wisdom of human love, brotherly love which is basically centered on emotions, feelings, attitude and opinions. The love of God has unimaginable power that truly conquers all. The love of God is the greatest love of all and it's in you. To God be the glory. **The Story of God's Love** Aaron Jensen, 2019-07-01. This abridged edition of the Holy Bible Evangelical Heritage Version (EHV) will help you see the full picture of God's love and plan of salvation for humanity. The Bible is at its heart the grand and beautiful story of God's love for you. It shows how sin separates you from God and reveals what God has done to restore that broken relationship with you. He sent his Son Jesus to save you and all people from sin. Drawn directly from the EHV text, the accounts in **The Story of God's Love** are presented without chapter or verse numbers for smooth, continuous reading. In this book, you'll find 250 Bible readings selected from all 66 books of the Bible from Genesis to Revelations, including 175 of the most significant Bible stories. Brief summaries at the beginning of each reading section. Prayers at the end of each reading section. 13 Bible history timelines. Six maps of Bible lands. **The Story of God's Love** is great for first-time Bible readers who want a brief summary of the Bible, making it a great resource for veteran Bible readers to go through together with a family member or friend. **Choosing Love** Dawne Moon, Theresa W. Tobin, 2025-05-05. Drawing on participant observation and more than 100 interviews, Dawne Moon and Theresa W. Tobin show how many LGBTQ Christians and their heterosexual cisgender allies are working to make their families, churches, and communities more inclusive, loving, and just. **Who Made God?** Zondervan, 2009-05-26. In the quest for the truth, you need to know what you believe and why you believe it. **Who Made God?** offers accessible answers to over 100 commonly asked apologetic questions. Bringing together the best in evangelical apologetics, this guide is standard equipment for Christians who want to understand and talk about their faith intelligently. Part one answers tough questions about the Christian faith, such as: Who made God? How can there be three persons in one God? What is God's ultimate purpose in allowing evil? Where did the universe come from? How long are the days of creation in Genesis? Did Jesus rise from the dead? Are the records of Jesus' life reliable? Does the Bible have errors in it? Part two answers tough questions about other faiths, including Islam, Mormonism, Hinduism, Transcendental Meditation, Yoga, Reincarnation, Buddhism, and Black Islam. Relevant stories, questions for reflection and discussion, and a comprehensive list of suggested resources help you dig deeper so you can be prepared to give careful answers that explain the reasons for your faith.

The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives

From Adam to Noah-The Numbers Game Leonard Timmons, 2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar From Adam to Noah The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5 It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis It allows us to dramatically revise our understanding of the entire Bible To truly understand why a calendar puzzle exists within the Bible we have to explore the reasons why someone several thousand years ago would enshrine a calendar in such an ingenious puzzle That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11 The creation Adam and Eve Abel and Cain Noah s ark the story of Noah and his wife and Tower of Babel story Most of us have been taught that the Bible was written to be understood The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand They hid a world view that they never state explicitly We will find that this philosophy inspired them to create the calendar puzzle and that the way they viewed the world is more important and more fascinating than the calendar itself In

this book you will experience what it is like to discover something very new hidden within something very old You ll discover that this new thing was ancient knowledge when the Bible was written Remember the story of the pearl of great price A merchant upon finding a pearl of great value sold everything he had and bought it The calendar in Genesis is such a pearl If you re looking don t miss this chance to own one *The Power of Love in and Through the Eyes of God* Laverne Booker,2020-08-26 This book will enlighten and demonstrate to the readers how God expects us to love The difference between our flesh and what we believe love is and what LOVE is really suppose to be *Love and Law* Ernest Holmes,2004-01-05 Early lectures and private lessons from celebrated spiritual teacher Ernest Holmes illustrating the key concepts behind his influential ideas Ernest Holmes was a beloved teacher and philosopher with a disarmingly simple message Change your thinking and you will change your life There is a creative law in the universe Holmes reasoned and it is available to each of us right now through our thought patterns We can quite literally think our way to happiness and contentment Love and Law is a collection of carefully selected lectures and private lessons that have never before been in print It is a splendid testament to the living philosophy of this remarkable guide and thinker **The Gospel standard, or Feeble Christian's support** ,1859 Benedictus Dominus.
