**Shirley Foster**

## **Relative Creatures Victorian Women In Society And The Novel:**

**Relative Creatures** Françoise Basch,1974      **Relative Creatures** Françoise Basch,1974      **RELATIVE CREATURES** F. BASCH,1974      *Relative Creatures: Victorian Women in Society and the Novel 1837 to 67: Translated by Anthony Rudolf* Françoise Basch,1974      Victorian Women's Fiction Shirley Foster,2012 Annotation Focusing on the ways in which female novelists have challenged contemporary assumptions about their own sex this book s critical interest in women s fiction shows how 19th century women writers confront the conflict between the pressures of matrimonial ideologies and alternative of single or professional life      *The King of Inventors* Catherine Peters,2014-07-14 In this major biography Catherine Peters explores the complicated life of Wilkie Collins the greatest of the Victorian Sensation novelists and author of the famous *Woman in White* and *The Moonstone* An intimate of Dickens and of the Pre Raphaelites Holman Hunt and Millais Collins was called the king of inventors by his publisher On the surface he was charming unpretentious and extremely good company beloved by men and women Beneath this facade however he was a complex and haunted man addicted to laudanum and his powerful often violent novels revealed a dark side of Victorian life He supported two common law wives and their children and as Peters shows he provoked scandal by refusing to cloak his complicated love affairs in the customary hypocritical pretense of the period Having discovered a hitherto unknown autobiography by Wilkie Collins s mother Peters draws on this document and on thousands of Collins s unpublished letters to create this provocative picture of his life and times She describes in detail the saga of his exhausting struggle for better copyright protection for authors especially for English authors in the United States She has also studied the manuscripts of his novels plays and stories including those which he did not complete finding that some of his neglected novels turn out to be much more interesting than most readers realize today This edition of the book has been supplemented to include an appendix describing Collins s Tahitian novel Written when he was twenty the manuscript of this work *Iol ni* was thought to have disappeared but it has recently been rediscovered and sold to a private collector For any Collins enthusiast or for anyone interested in the literary history of the Victorian period *The King of Inventors* provides a vivid account of Collins s unusual personal life in the context of his literary and artistic friendships and of newly revealed facts about the two women with whom he shared his double life Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *English Feminism, 1780-1980* Barbara Caine,1997-07-10 Barbara Caine s fascinating analysis of feminism in England examines the relationship between feminist thought and actions and wider social and cultural change over two centuries Professor Caine investigates the complex question surrounding the concept of a

feminist tradition and shows how much the feminism of any particular period related to the years preceding or following it Though feminism may have lacked the kind of legitimating tradition evident in other forms of political thought the ghost of Mary Wollstonecraft was something which all nineteenth and twentieth century feminists had to come to terms with Her story was a constant reminder of the connection between the demand for political and legal rights and its conflation with the issues of personal and sexual rebellion Like Wollstonecraft every woman pioneer into the public arena faced assaults on her honour as well as on her intellectual position The author also addresses the language of feminism the introduction and changing meanings of the term feminist the importance of literary representations of women and the question of how one defines feminism and establishes boundaries between feminism and the woman question She ends with a discussion of the new emphasis post 1980s on the need to think about feminisms in the plural rather than any single kind of feminism analysis of feminist organizations debates and campaigns shows a keen sense of the relationship between feminist thought and actions and wider social and cultural change The result is a fascinating study with a new perspective on feminists and feminist traditions which can be used both as an introductory text and as an interpretative work Professor Caine examines the complex questions surrounding the concept of a feminist tradition and shows how much the feminism of any particular period related to the years preceding or following it Though feminism may have lacked the kind of legitimating tradition evident in other forms of political thought the ghost of Mary Wollstonecraft is seen here as something which all nineteenth and twentieth century feminists had to come to terms with Her story was a constant reminder of the connection between the demand for political and legal rights and its conflation with the issues of personal and sexual rebellion Like Mary Wollstonecraft every woman pioneer into the public arena was faced with assaults on her honour as well as on her intellectual position Professor Caine also addresses the language of feminism the introduction and changing meanings of the term feminist the importance of literary representations of women and the question of how one defines feminism and establishes boundaries between feminism and the woman question She ends with a discussion of the new emphasis post 1980s on the need to think about feminisms in the plural rather than any single kind of feminism

### **The Cultural**

**Construction of Sexuality** Pat Caplan, 2013-11-05 First Published in 1987 Illustrates the argument that sexuality is not a thing in itself but a concept that can only be understood with reference to economic political and social factors *The Cultural Construction of Sexuality* Patricia Caplan, 1987 First Published in 1987 Routledge is an imprint of Taylor Francis an informa company The Dickens Industry Laurence W. Mazzeno, 2008 The story of the surprisingly fluctuating critical reputation of one of the great writers of the English language Undoubtedly the best selling author of his day and well loved by readers in succeeding generations Charles Dickens was not always a favorite among critics Celebrated for his novels advocating social reform for half a century after his death he was ridiculed by those academics who condescended to write about him Only the faithful band of devotees who called themselves Dickensians kept alive an interest in his work Then

during the Second World War he was resurrected by critics and was soon being hailed as the foremost writer of his age a literary genius alongside Shakespeare and Milton More recently Dickens has again been taken to task by a new breed of literary theorists who fault his chauvinism and imperialist attitudes Whether he has been adored or despised however one thing is certain no other Victorian novelist has generated more critical commentary This book traces Dickens's reputation from the earliest reviews through the work of early 21st century commentators showing how judgments of Dickens changed with new standards for evaluating fiction Mazzeno balances attention to prominent critics from the late 19th century through the first three quarters of the 20th with an emphasis on the past three decades during which literary theory has opened up new ways of reading Dickens What becomes clear is that in attempting to provide fresh insight into Dickens's writings critics often reveal as much about the predilections of their own age as they do about the novelist Laurence W Mazzeno is President Emeritus of Alvernia University Reading Pennsylvania

**A Short History of Writing Instruction** James J. Murphy, 2012-05-04 Short enough to be synoptic yet long enough to be usefully detailed A Short History of Writing Instruction is the ideal text for undergraduate courses and graduate seminars in rhetoric and composition It preserves the legacy of writing instruction from antiquity to contemporary times with a unique focus on the material educational and institutional context of the Western rhetorical tradition Its longitudinal approach enables students to track the recurrence over time of not only specific teaching methods but also major issues such as social purpose writing as power the effect of technologies the rise of vernaculars and writing as a force for democratization The collection is rich in scholarship and critical perspectives which is made accessible through the robust list of pedagogical tools included such as the Key Concepts listed at the beginning of each chapter and the Glossary of Key Terms and Bibliography for Further Study provided at the end of the text Further additions include increased attention to orthography or the physical aspects of the writing process new material on high school instruction sections on writing in the electronic age and increased coverage of women rhetoricians and writing instruction of women A new chapter on writing instruction in Late Medieval Europe was also added to augment coverage of the Middle Ages fill the gap in students knowledge of the period and present instructional methods that can be easily reproduced in the modern classroom

**The Beauty of Convention** Marija Knežević, Aleksandra Nikčević-Batricević, 2014-06-02 This volume addresses the beauty of convention not in an attempt to recapitulate established values as luckily in literature and culture there are not absolute beauties that serve everyone and always but as an aesthetic appreciation of form as a keeper of meaning and as an ethical post cynical metadiscourse on human dependence on symbolic interaction and generic conventions Looking into the artificial invented side of this concept the book addresses such questions as What is beauty by virtue of convention How does convention generate beauty How does it happen that a convention acquires a normative force What is the nature and the logic of situation that leads to the arbitrary conventions How are alternative conventions made What is inertia and what real joy or belief ensures the stability of convention Is there a

natural correctness that enables the stability of convention How does convention determine linguistic meanings Can interpretation avoid convention Without imposing one definition onto the reader this volume presents an understanding of the stability of convention and how it generates beauty by employing numerous contemporary reading strategies and diverse cultural ethnic gender psychological and textual perspectives Primary focus is given to various literary texts ranging from early classics to modernism and contemporary writing though there are also discussions on other forms of human expressions such as music dance and sculpture This book will contribute to the on going discussion about the ambiguities inherent in the concept of convention and thus stimulate intellectual confrontation and circulation of ideas within the fields of literature and culture

To Have But Not to Hold Henry Alan Finlay,2005 Henry Finlay recounts the transformation of marriage through the eyes of Parliamentarians over the last 100 years breaking new ground in his account of fundamental changes in modern Australia s attitudes

*The Novel of Female Adultery* Bill Overton,2016-07-27 The novel of adultery is a nineteenth century form about the experience of women produced almost exclusively by men Bill Overton s study is the first to address the gender implications of this form and the first to write its history The opening chapter defines the terms adultery and novel of adultery and discusses how the form arose in Continental Europe but failed to appear in Britain Successive chapters deal with its development in France and with examples from Russia Denmark Germany Spain and Portugal

*Elizabeth Gaskell* Patsy Stoneman,2016-05-16 Offering a combination of psychoanalytic and political analyses of Elizabeth Gaskell s work this title also presents direct and accomplished chapters on each of the major novels as well as the major themes in Gaskell s work

**Social Dreaming** Elaine Ostry,2013-11-05 Dickens was known for his incredible imagination and fiery social protest In Social Dreaming Elaine Ostry examines how these two qualities are linked through Dickens s use of the fairy tale a genre that infuses his work To many Victorians the fairy tale was not childish it promoted the imagination and fancy in a materialistic utilitarian world It was a way of criticizing society so that everyone could understand Like Charles Perrault and the Brothers Grimm Dickens used the fairy tale to promote his ideology In this first book length study of Dickens s use of the fairy tale as a social tool Elaine Ostry applies exciting new criticism by Jack Zipes and Maria Tatar among others that examines the fairy tale in a socio historical light to Dickens s major works but also his periodicals the most popular middle class publications in Victorian times

*A Short History of Writing Instruction* James Jerome Murphy,2012 A Short History of Writing Instruction preserves the legacy of writing instruction from antiquity to contemporary times with a unique focus on the material educational and institutional context of the Western rhetorical tradition

*Popular Victorian women writers* Kay Boardman,Shirley Jones,2024-07-30 Popular Victorian women writers considers a diverse group of women writers within the Victorian literary marketplace It looks at authors such as Ellen Wood Mary Braddon Rhoda Broughton and Charlotte Yonge as well as less well known writers including Jessie Fothergill and Eliza Meteyard Each essay sets the individual author within her biographical and literary context and provides refreshing insights

into their work Together they bring the work of largely unknown authors and new perspectives on known authors to critical and public attention Accessible and informative the book is ideal for students of Victorian literature and culture as well as tutors and scholars of the period      **The Flesh Made Word** Helena Michie,1990 Examining the works of such Victorian writers as the Brontes Dickens Eliot and Hardy this study discusses codes and taboos about the female body and explores how female sexuality was represented in Victorian literary and non literary genres such as painting etiquette books and pornography      **Culturing the Child, 1690-1914** Mitzi Myers,2005-03-03 Utilizing new historicist feminist and cultural studies critiques this collection of essays provides new perspectives on early children s literary texts and the work of children s literature scholar Mitzi Myers 1939 2001
