variety in standard We have read the history of human endeavour in its many aspects to little purpose if we have not learned this The subject discussed involves reference to metaphysical inquiry I regret that this has to be so for metaphysical discussions are not popular in the world as it is at present But that world is casting about in search of a basis on which gradually to build up renewed faith If it continues in earnest in its searchings I believe that it will find in the end that it is not possible to shirk encountering philosophy in some shape About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Reign of Relativity Viscount Haldane,1981-01-01 *The Reign of Relativity* Viscount Richard Burdon Haldane Haldane,2016-05-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Reign of Relativity** Richard Burdon Haldane,1922 **The Relativity of Knowledge ...** Robert Gibson Eccles,1890 The Reign of Relativity Richard Burdon Haldane (Viscount),1921
