Strength and Conditioning Anthony Tridico,2023-10-27 Things do not really change as much as people like to claim When people see the solution but in reality they do not see the problem then the new concept of change intelligence spirals down the rabbit hole farther and farther from the actual problem This only creates more problems never solving or improving anything leading to more ignorance not intelligence I knew when I left the weight room for the last time at the University of Arkansas in 1992 that all human beings should train like this The lessons I learned in Coach Stucky s weight room transformed my abilities in all areas to face the ills of society head on in the chosen path ahead of me A reality check in training fitness sport and education is needed in the media crazed times currently influencing society Coach Stucky was the person who could see the problem and the solution fifty seven years ago and counting I am just a beneficiary of Coach Stucky s gifts trying to pay it forward for the kids and future generations and strength and conditioning
