Anointing With Oil Eastwood Anaba, 2013-09-30 Using anointing oil to minister to people is a controversial issue among believers Some believers detest its use so much that they walk out of meetings when it is used The aim of this book is to give us biblical insight into the purpose of the anointing oil and how it can be used for the edification and blessing of believers With regard to this subject we don't have to condemn others for their position It is scriptural to use anointing oil in ministration but not mandatory The law of liberty allows those whose faith is enhanced by the use of the oil to use it and those whose faith does not require it not to use it Those who use it are not more spiritual than those who don't use it and those who don't use it don't necessarily have more faith in the Word of God than those who use it **The New**
