*Artifacts of the Ages* J. D. Wiker, Clarence D. Harrison, Rich Redman, 2003-07 **Fantasirollespil** **The Writers Directory**, 2013 Renegades Shaun Hutson, 2014-04-01 Modern terrorism meets medieval madness in jaw dropping horror that will make the living envy the dead As a member of the Counter Terrorist Unit Sean Doyle thought he'd seen it all every violent act every depraved action man could perpetrate against man but he is to discover that there are much worse things in this world than even he has encountered Tracking a group of renegade terrorists from London to the Republic of Ireland to discover who is funding them and why what he discovers threatens not only his life but his sanity too The trail of terror leads not just across Britain but to France as well where the monstrous deeds of a murderer who died 400 years earlier still cast a dark and horrific shadow In the grisly frames of a stained glass window taken from the home of this vile killer lay the secret sought by so many for so long the secret of immortality One man will stop at nothing to get it and Sean Doyle is about to meet that man

**Monolith** Shaun Hutson, 2015-04-02 When you have eliminated the impossible whatever remains however improbable must be the truth Arthur Conan Doyle On the banks of the river Thames a massive new building is being completed A stunning creation of glass and concrete that will be a new landmark on London's skyline And people are dying because of it Dozens of mysterious unexplained accidents have claimed the lives of workmen during the construction and journalist Jessica Anderson is convinced that the owner of the building a billionaire Russian businessman knows more about the accidents than he is revealing Enlisting the help of a former colleague Jess tries to investigate the shadowy industrialist but finds that far harder than she imagined Protected by a private security force and cocooned by his entourage this powerful man proves to be as elusive as anyone she has ever known He values his privacy and seems willing to go to any ends to protect it But what is he hiding As she delves into his background she discovers that one of his ancestors lived in London during the 1930s on the same site where the Crystal Tower was constructed and death and destruction surrounded that ancestor too Is there a link between these two men Jess is convinced there is and when a series of horrific attacks and murders take place perpetrated against men who want to stop the Russians next building project she finds herself plunged into a maelstrom of fear and events that threaten not just her life but her very sanity Something from the darkest reaches of myth and superstition has been unleashed upon a modern world and it seems no one can stop it *Progeny* Shaun Hutson, 2020-11-05 Can you imagine what it would be like not to have any memory of your first ten years of life Jake Howard knows how that feels He's a successful psychiatrist and writer He has an apparently adoring lover and the respect of his peers But he also has a huge gap where his childhood memories should be What's more Jake is tormented by the worst kind of nightmares Nightmares he's not even sure are his Tormented by dreams and visions that threaten his sanity he must find their source in order to understand and banish them His hunt will take him to a run down seaside town to the place where he was raised and also forty years back in time to what he must confront to release himself from the grip of the visions and also to discover the

hidden memories However he will discover things about himself he did not dare imagine Things he really didn't want to know And he will also discover that not everyone is what they appear to be Those revelations will expose a darkness and horror that no one should have to confront Sometimes a lie is preferable Some truth is best left undiscovered      **The British National Bibliography** Arthur James Wells,2005      **Assassin** Shaun Hutson,2014-04-01 Into the middle of gang warfare comes a force more powerful than vengeance more lethal than high velocity weapons and more terrifying than any nightmare London is gripped by the bloodiest outbreak of gang warfare ever seen Shootings in the street kidnappings bombs and car chases have become commonplace The gutters are running red with blood and the police are powerless to stop it Frank Harrison has ruled gangland unopposed for more than two years and now someone is out to wipe him and his men from the face of the earth Who and why The answer when it comes will test not just Harrison's courage but his sanity too For him there is only one way to fight back against an enemy he can barely believe he faces So into this world of violence corruption madness and death comes the Assassin      **Spawn** Shaun Hutson,2014-04-01 A psychologically complex terror thriller about two disturbed men and the unnatural consequences of their deeds Harold Pierce didn't mean to kill his baby brother all those years ago He didn't intend to incinerate him in a fire but he did and he has spent most of his adult life in a psychiatric hospital because of it Upon release he is given a job as a hospital porter but what the job involves brings back memories of what happened to his brother and they begin to torment Harold In the small town where he lives terror is mounting because of the escape from prison of psychopath Paul Harvey Within days of his escape a horrifying series of murders begins but there is much worse to come Pierce and Harvey both disturbed and guarding terrible secrets are about to unleash a terror beyond belief      **Encyclopedia of Fantasy and Horror Fiction** Don D'Amassa,2015-04-22 Presents articles on the horror and fantasy genres of fiction including authors themes significant works and awards      *Shaun Hutson Omnibus* Shaun Hutson,2004-04-01 RELICS When a hidden chamber filled with the skulls of children is discovered by an archaeological dig the discovery triggers a series of murders in which the victims are horrifically mutilated Something evil is waiting Something monstrous is loose SPAWN Released from a mental hospital where he has spent all his adult life Harold Pierce is given a job as a hospital porter But that job involves the disposal of aborted fetuses something which brings back nightmare memories of Harold's accidental killing of his baby brother years before SHADOWS In Oxford and Paris psychic investigators are attempting to probe forbidden areas of the mind In New York writer David Blake is studying the methods of miracle healer Jonathan Mathias Driven by their own desperate motives these researchers are about to unlock Pandora's Box to unleash the horrifying forces of destruction hidden deep within us all      **Relic** ,2020-12-05 Our world has become unbearable and nearly unlivable As a gun toting sharpshooting warrior I'm on a mission to bring peace I seek an onyx heart shaped talisman to help better our world I've got a smart ass Brazilian warlock watching my every move If I fail my companies will send us to hell Will I find the guidance I need to bring all of us peace      *In the Shadow of El Tajín* Samuel

Holley-Kline,2025-11 Located in the Papantla municipality of the Mexican state of Veracruz El Tajín is a UNESCO World Heritage site but a lesser known tourist destination and national symbol The Indigenous Totonac residents of the region know well that the site's relative absence from discussions of global archaeology and heritage belies a century of wide ranging labor extractive industries and commodity exchange In the Shadow of El Tajín tells the story of how a landscape of ancient mounds and ruins became an archaeological site brings to light the network of actors who made it happen and reveals the Indigenous histories silenced in the process By drawing on the insights of Indigenous Totonac peoples who have lived and worked in El Tajín for more than a century Sam Holley Kline explores historical processes that made both the archaeological site and regional historical memory In the Shadow of El Tajín decenters discussions of the state and tourism industry by focusing on the industries and workers who are integral to the functioning of the site but who have historically been overlooked by studies of the ancient past Holley Kline recovers local Indigenous histories in dialogue with broader trends in scholarship to demonstrate the rich recent past of El Tajín a place better known for its ancient history Inside
