Religion And Community:

Religion and Community in the New Urban America Paul D. Numrich, Elfriede Wedam, 2015-04-14 Through an in depth study of fifteen Chicago congregations Catholic parishes Protestant churches Jewish synagogues Muslim mosques and a Hindu temple city and suburban neighborhood based and commuter this book describes congregational life and measures the influences of those congregations on urban environments

Community as Church, Church as Community Michael Plekon, 2021-07-22 Parishes of all denominations are in decline shrinking closing dying We know that there are increasing numbers young and older who are religious nones and dones This book explores why the decline is taking place why the distancing is going on But it goes on to examine parishes from all over the country and from various church bodies that are resurrecting The central theme of death and resurrection shapes the analysis of parishes covered Parishes are resurrecting by reinventing their ministries by repurposing their building to better serve their neighborhoods thus replanting and reconnecting with them All of this is the Spirit s doing but through the community of sisters and brothers who make up each congregation of faith Community as the core of church is the other reality shaping the book s reflection And community a parish being with those around living for more than its own survival are visions for going forward Other aspects of congregational life are also examined most importantly the pastors how they serve when budgets shrink how they are trained how pastors act with the community not above it No recipes are suggested for parish resurrection but the stories of the parishes that have revived bear within numerous lessons for us in the future

Religion and Community Keith Ward, 2023 Religion is an important social force both for good and evil in the modern world This book considers the main ways in which religion and society interact and the ways in which the major world religions need to adapt themselves in the modern world

Religion, Community and Development Gurpreet Mahajan, Surinder S. Jodhka, 2010-06-02 Papers presented at a seminar organized at Jawaharlal Nehru University on Mar 2007

Coming Together/coming Apart Elizabeth M. Bounds, 1997 While the idea of community is increasingly vital to our individual and social well being our ordinary communal relations are being eroded by increased mobility lost traditions and the growing pluralism of society Examining this renewed desire for community Coming Together Coming Apart locates the current problems in modern capitalism Out of a common matrix of a lifeworld in crises contemporary religious social and feminist discussions compose an ideological struggle over the reformation of society Bounds analyzes a broad range of theorists from Daniel Bell and Stanley Hauerwas to Sharon Welch and Cornel West In comparing their arguments about community she illustrates critical assumptions about the roles of morality and religion including the values of difference the diversity of traditions and the nature of moral connection

Religion and Community, 2000-03-02 Religion is an important social force both for good and evil in the modern world In the final volume of his comparative theology Keith Ward considers the main ways in which religion and society interact and the ways in which the major world religions need to adapt themselves in the modern world These religions are examined

as forms of social life ranging from communities which seek to renounce the world to those which seek to embody the laws of God in society those which see religions in critical dialogue with social structures and those which see religion as a primarily individual matter The ideas of *eretz Yisrael* the *umma* of Islam the Buddhist *sangha* the Christian church and the Hindu *sampradaya* are critically analysed Ward also considers the doctrine of the church in Aquinas Calvin Schleiermacher and Tillich and develops a view of the church in a global perspective by means of both a historical and thematic approach He proposes a radical vision of the church as a person affirming world transforming society in the emerging global community of many faiths and cultures The relation of religious belief and morality and the ambiguous role of religion in society is investigated and the need for a new religious paradigm is defended expressing a global perspective without insistence on uniformity

Religion, Community, and Education Mohd. Sanjeer Alam, 2012-01-27 Religion based educational disparities especially relative educational backwardness amongst the Muslims in India are the focus of serious debate The 2006 Sachar Committee Report rekindled public interest and attention in this important issue Yet considerable gaps exist in our understanding of the dynamics of religion and access to education In *Religion Community and Education* Alam uses a spatial approach and multilayered analytical framework to understand educational disparities in schooling between the Hindus and Muslims in Bihar The study draws upon national level data as well as focused fieldwork carried out in Bihar's Patna and Purnia districts This book highlights the larger historical trajectories that have shaped educational development as well as the forms of disparities therein vis vis the minorities in India It contends that the relative educational backwardness of the Muslims reflects underlying socio economic patterns that are often overlooked Thus the Muslims should not be seen merely as homogeneous socio cultural aggregates

Contrasts in Religion, Community, and Structure at Three Homeless Shelters Ines W. Jindra, Michael Jindra, Sarah DeGenero, 2021-11-17 How do people in poverty and homelessness change their lives and get back on their feet Homeless shelters across the world play a huge role in this process Many of them are religious but there is a lot of diversity in faith based non profits that assist people affected by poverty and homelessness In this timely book the authors look at three homeless shelters that take more or less intensive approaches to faith community and programming In one shelter for instance residents are required to do a program of classes that includes group Bible study worship and self evaluation The other two examined are significantly less faith based but in different ways and with different structures The authors show how the three shelters tackle homelessness differently drawing on narrative biographical interviews and case studies with residents interviews with staff and case study research of the three shelters Entering into significant debates in social theory over religion agency cognitive action and culture this book is important reading for scholars and students in religious studies sociology and social work
