Science Year The World Science Annual 1984:

Science Year, 1983 **Serçe Limani, Vol 2** George F. Bass, Berta Lledo, Sheila Matthews, Robert H. Brill, 2009-07-20 For almost a millennium a modest wooden ship lay underwater off the coast of Ser e Limani Turkey filled with evidence of trade and objects of daily life The ship now excavated by the Institute of Nautical Archaeology at Texas A M University trafficked in both the Byzantine and Islamic worlds of its time Known as the Glass Wreck it bore cargo that included three metric tons of glass cullet including broken Islamic vessels and eighty pieces of intact glassware along with various artifacts of ship life This second volume of the discovery s investigation focuses on the excavation conservation and study of the glass found in the wreckage The extensive catalog will be a valuable tool for archaeologists and scholars of Islamic glass and Islamic trade Further the systematic methodology and presentation of such a large undertaking will serve as a model for future study across many disciplines *Millennial Biology: The National Science Foundation and American Biology, 1975-2005* Donald J. McGraw, 2021-01-25 National Science Foundation NSF is a unique federal agency because it supports scientific research financially but does not engage in scientific work itself Its history is known only in part because the NSF is a vibrant expanding and living entity that makes the final telling of its story impossible Much can be learned from its beginning as well as its component parts If the founding of the NSF in 1950 was couched in an era of physics especially atomic physics certainly by the end of the 20th century and the beginning of the 21st biology was and remains the queen of sciences for the predictable future This book highlights the elite status of America s biological sciences as they were funded affected and to a very real degree interactively guided by the NSF It examines important events in the earlier history of the Foundation because they play strongly upon the development of the various biology directorates Issues such as education applied research medical science the National Institutes of Health the beginnings of biotechnology and other matters are also discussed Annual Report of the National Science Foundation National Science Foundation (U.S.), Resources in Education, 1994 *Annual Report* U.S. Army Research Institute for the Behavioral and Social Sciences, 1983
