world Dale Brown is a superb storyteller W E B Griffin      *Artifacts of the Ages: Rings* J. D. Wiker, Gary Astleford, 2006-07-11 The greatest tales of epic fantasy sometimes begin with a humble little bauble a gem with mysterious powers an amulet with a terrible curse or a ring that renders the wearer invisible As the story goes on though these amazing items gradually reveal the full extent of their powers and often the true nature of their destinies Continuing the rules developed in *Artifacts of the Ages Swords and Staves* this book presents magic gems and jewelry that grow in power as wielders advance in level allowing you to introduce artifact caliber magic items to your campaign without giving the player characters too much power too early *Artifacts of the Ages Rings* provides gamemasters with rules for not just rings but necklaces bracelets crowns gems and other such items of extraordinary power *Artifacts of the Ages Rings* is the second in a series of innovative sourcebooks examining new ways to treat magic items in fantasy d20 System campaigns      *Man into Wolf* Robert Eisler, 2023-03-08 First published in 1951 *Man into Wolf* attempts to suggest the possibility of historical or rather prehistorical evolutionist derivation of all crimes of violence from the individual attack on life known as murder or manslaughter to the collective organized killing which we call war The author has tried to show that the evidence from prehistory can be made intelligible on the theory of Jung's archetypes surviving in the collective conscience and revealing themselves all over the world in legends myths and rites He discusses in the notes on the lecture every possible aspect of the subject ranging from the perverseness of the Marquis de Sade to the Grecian Bacchantes and from the Green Men and the agricultural ceremonies to a case study of John George Haigh This book will be of interest to students of anthropology gender studies and psychology      **The Current** ,1887      **Transactions** Iowa State Horticultural Society, 1890      **Journal of Agricultural Research** ,1933      **Report** Iowa State Horticultural Society, 1907 Includes Transactions of affiliated societies      **Scion of the Wolf** Kip Goozée, 1996 The story of four young men who grew up in a world where Elvis was King the Beatles had invaded and surfing and rock n roll were a way of life The story follows them through boot camp and their specialist training their life aboard the USS Bexar and a waterborne rescue of Alex's cutoff recon team a rescue so strange that both military intelligence and the North Vietnamese Army classified it as secret      [The Winterfox Journals Book One](#) Brian P.
