*Father-ish* Clint Edwards,2020-10-20 Father ish adjective When a man is trying his best Clint Edwards equates fatherhood to the time he did an important live TV interview from home To the viewers he looked put together in a nice button up shirt but below the camera he wasn t wearing any pants And it may have looked like he was in a nice office but he was in fact hidden in his bedroom closet because his whole house was too messy to show This highly relatable collection gets to the heart of parenting all those unexpected fails awkward conversations and well intentioned little white lies Clint chronicles all these things and more with stories like The Time My

Son Realized I Was Santa I've Never Been to Hell but I Have Been to a Little Girl's Birthday Party and How to Get the Sex Talk Very Very Wrong And with each story you'll see over and over again that there really aren't any rules when it comes to parenting and all you can do is try your best Whether you're a first time parent unaware of what you've gotten yourself into yet or a father of five clinging to your last ounce of sanity you'll find relief in knowing that at end of the day we're all not wearing any pants *Quantum Criminals* Alex Pappademas, 2023-05-09 Steely Dan was a somewhat unusual band that still inspires unusually strong devotion in its fans Formed in the late 60s in New York they released seven albums between 1971 and 1981 two of which were nominated for a Grammy Part of what's unusual about them is that each of those albums was made by a different group of musicians founding members Walter Becker and Donald Fagen had no issues swapping players from record to record in order to get the sound they wanted The band stopped touring in 1974 so the recording studio was the only place they needed their collaborators Those recordings are legendary especially among vinyl enthusiasts for their exquisite production The precision was necessary in part because Steely Dan played with form more than most bands mixing elements of other genres especially jazz with pop and rock And the lyrics are also distinctive As the authors put it in their proposal Steely Dan's songs are exercises in fictional world building Each song features its own cast of rogues and heroes and creeps and schmucks lovers and dreamers and cold blooded operators all tempest tossed by the ill winds of the 70s This book consists of sixty some essays each devoted to one character and each essay is accompanied by a painting of the particular character that serves as a jumping off point for the piece with additional spot illustrations scattered throughout
