The Magic Behind the Voices Tim Lawson, Alisa Persons, 2009-09-28 The Magic Behind the Voices is a fascinating package of biographies, anecdotes, credit listings, and photographs of the actors who have created the unmistakable voices for some of the most popular and enduring animated characters of all time. Drawn from dozens of personal interviews, the book features a unique look at thirty-nine of the hidden artists of show business. Often as amusing as the characters they portray, voice actors are charming, resilient people, many from humble beginnings who have led colorful lives in pursuit of success. Beavis and Butt-Head and King of the Hill's Mike Judge was an engineer for a weapons contractor, turned self-taught animator and voice actor. Nancy Cartwright, the voice of Bart Simpson, was a small-town Ohio girl who became the star protégé of Daws Butler, most famous for Yogi Bower, Huckleberry Hound, and Quick Draw McGraw. Mickey Mouse, Wayne Allwine, and Minnie Mouse, Russi Taylor, were a real-life husband and wife team. Spanning many studios and production companies, this book captures the spirit of fun that bubbles from those who create the voices of favorite animated characters. In the earliest days of cartoons, voice actors were seldom credited for their work. A little more than a decade ago, even the Screen Actors Guild did not consider voice actors to be real actors, and the only voice actor known to the general public was Mel Blanc. Now Oscar-winning celebrities clamor to guest star on animated television shows and features. Despite the crushing turnouts at signings for shows such as *Animaniacs*, *The Simpsons*, and *SpongeBob SquarePants*, most voice actors continue to work in relative anonymity. The Magic Behind the Voices features personal interviews and concise biographical details, parting the curtain to reveal creators of many of the most beloved cartoon voices. *Hanna-Barbera* Jared Bahir Browsh, 2022-01-11 With careers spanning eight decades, William Hanna and Joseph Barbera were two of the most prolific animation producers in American history. In 1940, the two met at MGM and created Tom and Jerry, who would earn 14 Academy Award nominations and seven wins. The growth of television led to the founding of Hanna-Barbera's legendary studio, that produced countless hours of cartoons with beloved characters from Fred Flintstone, George Jetson, and Scooby Doo to the Super Friends and the Smurfs. Prime-time animated sitcoms, Saturday morning cartoons, and Cartoon Network's cable animation are some of the many areas of television revolutionized by the team. Their productions are critical to our cultural history, reflecting ideologies and trends.

in both media and society This book offers a complete company history and examines its productions influences changing technologies and enduring cultural legacy with careful attention to Hanna Barbera s problematic record of racial and gender representation
