Walter A. Elwell

Scope Of Demythologizing Bultmann His:

The Scope of Demythologizing John Macquarrie, 1960 **The Scope of Demythologizing. Bultmann and His Critics** John MACQUARRIE (Professor, Union Theological Seminary, New York.), Rudolf Carl BULTMANN, 1960

Heideggerian Theologies Hue Woodson, 2018-11-27 In light of Martin Heidegger's contextualized influence upon them John Macquarrie Rudolf Bultmann Paul Tillich and Karl Rahner engage in theologies that in their respective tasks and scopes venture into existential theology following Heideggerian pathmarks toward the primordially of being on the way to unconcealment or aletheia By way of each pathmark each existential theologian assumes a specific theological stance that utilizes a decidedly existential lens While the former certainly grounds them fundamentally in a kind of theology the latter by way of Heideggerian influences allows them to venture beyond any traditional theological framework with the use of philosophical suppositions and propositions In an effort at explaining the relationship between humanity's being and God's Being each existential theologian examines what it means to be human not strictly in terms of theology but as it is tied inextricably to an understanding of the philosophy of existence the concept of what being is

New Testament Theology Gerhard Hasel, 1978-09-26 This book gives an overview about the varieties of approaches in the New Testament debate
Abbreviations Introduction 1 Beginnings and the development of NT theology 2 Methodology in NT theology 3 The center and unity in NT theology 4 NT theology and the OT 5 Basic proposals toward a NT theology a multiplex approach Selected bibliography Index of names Index of subjects

A Guide to Contemporary Hermeneutics Donald K. McKim, 1999-05-25 Acknowledging that hermeneutics has become an increasingly important major focus in theological study Donald McKim's *A Guide to Contemporary Hermeneutics* presents a series of essays by various writers assessing current hermeneutical approaches and methods of biblical hermeneutics from their own personal experience

The Scope of Demythologizing. Bultmann and His Critics. (A Revised and ... Expanded Version of a Series of Lectures Given in March, 1957, at Union Theological Seminary, New York.). John Macquarrie, 1960

Patience—A Theological Exploration Paul Dafydd Jones, 2022-11-17 What does it mean to exercise patience What does it mean to endure to wait and to persevere and on other occasions to reject patience in favor of resistance haste and disruptive action And what might it mean to describe God as patient Might patience play a leading role in a Christian account of God's creative work God's relationship to ancient Israel God's governance of history and God's saving activity The first instalment of *Patience A Theological Exploration* engages these questions in searching imaginative and sometimes surprising ways Following reflections on the biblical witness and the nature of constructive theological inquiry its interpretative chapters engage landmark works by a number of ancient medieval modern and contemporary authors disclosing both the promise and peril of talk about patience *Patience* stands at the center of this innovative account of God's creative work God's relationship with ancient Israel creaturely sin scripture and God's broader providential and salvific purposes

The Spirit of God and the Christian Life JinHyok Kim, 2014

Revision of author's thesis Ph D University of Oxford 2012 under title The spirit of God and the Christian life a constructive study of Karl Barth's pneumatology with special reference to his incomplete doctrine of redemption **Hermeneutics**

Anthony C. Thiselton, 2009-10-09 Anthony Thiselton here brings together his encyclopedic knowledge of hermeneutics and his nearly four decades of teaching on the subject to provide a splendid interdisciplinary textbook After a thorough historical overview of hermeneutics Thiselton moves into modern times with extensive analysis of scholarship from the mid twentieth century including liberation and feminist theologies reader response and reception theory and postmodernism No other text on hermeneutics covers the range of writers and subjects discussed in Thiselton's *Hermeneutics* *Kierkegaard's Influence on Theology: Anglophone and Scandinavian Protestant theology* Jon Bartley Stewart, Tome II is dedicated to tracing Kierkegaard's influence in Anglophone and Scandinavian Protestant religious thought In Britain before World War I the few literati who were familiar with his work tended to assimilate Kierkegaard to the heroic individualism of Ibsen and Nietzsche In the United States knowledge of Kierkegaard was introduced by Scandinavian immigrants who brought with them a picture of the Dane as much more sympathetic to traditional Christianity The interpretation of Kierkegaard in Britain and America during the early and mid twentieth century generally reflected the sensibilities of the particular theological interpreter Anglican theologians tended to find Kierkegaard to be one sided in his critique of reason and culture while theologians hailing from the Reformed tradition often saw him as an insightful harbinger of neo orthodoxy The second part of Tome II is dedicated to the Kierkegaard reception in Scandinavian theology featuring articles on Norwegian and Swedish theologians influenced by Kierkegaard *Christian Theology* Millard J. Erickson, 1998-08 A new edition of leading theologian Millard Erickson's classic text **A Theologian's Guide to Heidegger** Hue Woodson, 2019-08-30 A Theologian's Guide to Heidegger provides a uniquely theological introduction to the philosophy of Martin Heidegger by focusing on not just the relationship between Heidegger and theology or even the nature of the discourse that must occur between theological concerns and Heidegger's philosophical errands but by precisely exploring how theology can use Heidegger's philosophy as a means of outlining the scope and task of postmodern theology To do this especially with the postmodern theologian in mind this book considers the general relationship between Heidegger and theology how Heidegger can be read theologically while justifying why Heidegger must be read this way and defining the role that Heidegger must take in postmodern theology This includes a careful consideration of Heidegger's early theological roots from Freiburg to Marburg by examining the content of Heidegger's lesser known theologically minded seminars lectures and talks *Evangelical Dictionary of Theology (Baker Reference Library)* Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics *Volume 10, Tome II: Kierkegaard's Influence on Theology* Jon

Stewart,2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome II is dedicated to tracing Kierkegaard s influence in Anglophone and Scandinavian Protestant religious thought Kierkegaard has been a provocative force in the English speaking world since the early twentieth century inspiring almost contradictory receptions In Britain before World War I the few literati who were familiar with his work tended to assimilate Kierkegaard to the heroic individualism of Ibsen and Nietzsche In the United States knowledge of Kierkegaard was introduced by Scandinavian immigrants who brought with them a picture of the Dane as much more sympathetic to traditional Christianity The interpretation of Kierkegaard in Britain and America during the early and mid twentieth century generally reflected the sensibilities of the particular theological interpreter Anglican theologians generally found Kierkegaard to be too one sided in his critique of reason and culture while theologians hailing from the Reformed tradition often saw him as an insightful harbinger of neo orthodoxy The second part of Tome II is dedicated to the Kierkegaard reception in Scandinavian theology featuring articles on Norwegian and Swedish theologians influenced by Kierkegaard

Presidents and Protestors Theodore Windt,1990-08-30 Windt s fresh interpretations are based on solid rhetorical analysis A fine work that makes a valuable contribution to the field both in methodology and findings Robert V Friedenberg **Jesus and the Historians** A. J. M. Wedderburn,2010 Much has been written about the life of Jesus in works that often claim to be historical and to employ historical methods Yet only sometimes are the methods and the presuppositions involved made explicit However it has also been claimed more recently that a decisive change in our view of the nature of historical knowledge and methods has taken place in that the modern has given way to the postmodern After a survey of a number of books on Jesus that have raised the question of how his life should be studied historically Alexander J M Wedderburn starts by looking at such claims asking how new and how valid the insights involved in what claims to be a new historiographical epistemology in fact are before turning to look at a number of problems raised by recent studies of the life of Jesus that are relevant for the work of the historian the nature of the sources available to us and how to use them and the criteria and principles to employ the role played by the early Christian communities memories of Jesus and the extent to which this enhances their trustworthiness or gives reason for caution the extent to which the traditions about Jesus were transmitted orally and the implications of this for the reliability of these traditions and finally the questions how far we can investigate how Jesus understood his work and to what conclusions a historical study of this could lead us as well as the implications of

this for christology *Main Currents of Western Thought* Franklin Le Van Baumer,1978-01-01 Baumer s collection maps better than any other with which we are familiar the seminal and distinguishing ideological climates in western civilization Seventeenth Century News Many disciplines create books of readings by the dozens it is a rare event when a reader helps to create a discipline On its initial publication in 1952 *Main Currents of Western Thought* did just that In the years since its first appearance *Main Currents* has remained unquestionably the leading reader in its field The illuminating short essays that introduce sections and subsections are well known but the continuing usefulness of any reader depends upon the quality of its selections Franklin Le Van Baumer has sought out passages that best represent and illuminate the ideas and preoccupations of each age He has found them in the works of the great including Augustine Aquinas Dante Luther Newton Voltaire Darwin Whitehead and Freud But he has also discovered telling statements in writings less widely known Ram n Lull on chivalry 13th century Henry Peacham on the complete gentleman and Leonard Busher on religious liberty both 17th century Louis Ren de la Chalotais on education 18th century Samuel Smiles on self help 19th century and Virgil Gheorgiu on mechanization 20th century **Bedford's Victorian Pilgrim** Michael Brealey,2014-07-08 A close reading of the life and letters of William Hale White shows that some misunderstandings have arisen in the interpretation of this important figure The book offers such significant issues as doubt loss of faith and crises over vocation and church This work represents a revisionist approach to William Hale White It corrects previous studies at some important points questions existing interpretations and employs new theoretical strategies alongside fresh research in primary sources **Resurrecting Interpretation** Simon Perry,2012-04-25 Hermeneutics is the work of Hermes the Greek demigod a messenger from the gods and from the dead Simon Perry sets out to explore the contemporary face of Hermes through a reading of Jesus parable of the rich man and Lazarus Luke 16 19 31 This parable has one distinguishing feature that marks it out from other ancient stories following the same basic storyline that a visitor from the dead is not granted leave to return with a message to the land of the living In order for Scripture to be heard Hermes is not necessary Where does this leave the role of hermeneutics Perry looks to philosophers ethicists and theologians for an answer [A History of the Quests for the Historical Jesus, Volume 1](#) Colin Brown,Craig A. Evans,2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources *A History of the Quests for the Historical Jesus* not only chronicles the developments but lays the groundwork for the

way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Scope Of Demythologizing Bultmann His**

In a world inundated with monitors and the cacophony of instantaneous transmission, the profound energy and emotional resonance of verbal beauty frequently fade in to obscurity, eclipsed by the constant assault of sound and distractions. However, set within the lyrical pages of **Scope Of Demythologizing Bultmann His**, a captivating work of fictional elegance that pulses with raw feelings, lies an wonderful trip waiting to be embarked upon. Penned by way of a virtuoso wordsmith, this enchanting opus manuals visitors on an emotional odyssey, delicately exposing the latent possible and profound impact stuck within the complicated web of language. Within the heart-wrenching expanse of this evocative analysis, we will embark upon an introspective exploration of the book is central subjects, dissect their interesting publishing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
