Druze and their Faith in Tawhid Anis Obeid,2006-07-06 As a small sect that emerged from Islam over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate public that Tawhid is a progressive and dynamic spiritual process
