book that all my readers liked the most But since my luck is as good as a rabbit losing his foot You know I lost the book again Finally January 2006 I re wrote this book Only this time I set out to put it in book form as I wrote it And here it is all hand written cover and all 14 years in the making Damn why so long **Kid Scorpion** George C. Zidbeck,2007 Book 2 picks up where Gus returned to the American Canal Zone in 1939 with his family following a three months cross country vacation to the U S By the time of Pearl Harbor Gus psychology changed He seemed driven to directly enter the war more so as his drinking eroded his family structure Crises became the norm With the marriage close to destruction Gus applied to enter the U S Merchant Marine Academy Upon his graduation in early 1945 Gus saw limited action in the Atlantic and Pacific theaters He briefly reconnected with his family In Riverside County CA while on leave after a tour in the Atlantic Page 4 of cover
