[The History and Chronicles of Scotland, Vol. 1 \(Classic Reprint\)](#) Hector Boece, 2016-10-25 Excerpt from The History and Chronicles of Scotland Vol 1 HE early part of the Literary History of Scotland is involved in much obscurity and has not been investigated with a due share either of care or of candour Many eminent writers who adorned the reigns of the Stuarts during the fifteenth and sixteenth centuries are now in a great measure unknown or forgotten The difficulties these early writers had to encounter from the limited sources of information which they possessed the absence of authentic records to guide them in their researches the romantic and fabulous times of which they wrote and the want of science to operate as a check up on credulity seem entirely to have escaped those critics by

whom their labours have been depreciated and their claims to the gratitude of posterity denied About the Publisher
