

DUNDONALD CASTLE

Scotlands Hidden History

Edward J Cowan

Scotlands Hidden History:

Scotland's Hidden History Ian Armit, 1998 Ian Armit tells the story of Scotland's earliest history by concentrating on 100 of the most exciting and accessible monuments which he places firmly in their wider historical context The book includes regional itineraries a complete guide to museums and heritage attractions and an archaeological glossary Scotland's Hidden History Ian Armit (Archaeologist), 1998 Scotland's Secret History Daniel MacCannell, Charles MacLean, 2017 Illicit distilling in Scotland was seen as a right of man at the end of the 17th century Attempts to enforce excise duty on the spirit were therefore met with resistance ranging from riots to more and more ingenious ways of avoiding paying tax In this book and Charles MacLean and Daniel MacCannell give a fascinating insight into the day to day struggles that led to the increase in illicit distilling from the mid 1600s then to its eventual demise in the early twentieth century The Cabrach a wild and sparsely populated part of Aberdeenshire became renowned for its production of illicit whisky Local inhabitants mixed farming and distilling with great skill creating a network of stills and distribution to evade customs Using new research first hand historical accounts and official records the authors show how spirits from this small parish were made and travelled far and wide across the border to England and across the North Sea to France firing up revolution and lending solidarity to the struggles of the Jacobites Features Making Whisky Dennis McBain The Jacobite Legacy Murray Pittock The Bard and the Bottle David Purdie The Dram In Folklore Tom McKean A Smuggler's Paradise David Ferguson Banff The Smuggler's Royal Burgh Jay Wilson Scotland's Lost Distilleries Brian Townsend **Scottish History: Strange but True** John and Noreen Hamilton, 2016-06-06 This book contains hundreds of strange but true stories about Scottish history Arranged into a miniature history of Scotland and with bizarre and hilarious true tales for every era it will delight anyone with an interest in Scotland's past The Secret History of Here Alistair Moffat, 2021-06-03 The Secret History of Here is the story of a single place in the Scottish Borders The site on which Alistair Moffat's farm now stands has been occupied since prehistoric times Walking this landscape you can feel the presence and see the marks of those who lived here before But it is also the story of everywhere In uncovering the history of one piece of land Moffat shows how history is all around us if only we have the eyes to see it Taking the form of a journal of a year this is a walk through the centuries as much as the seasons offering a glimpse into the lives of those who came before as well as those who live here now *The Secret History of Colonel Hooke's Negotiations in Scotland, in Favour of the Pretender, in 1707* Nathaniel Hooke, 1760 **The Landscape of Scotland** C. R. Wickham-Jones, Royal Commission on the Ancient and Historical Monuments of Scotland, 2009 **The Secret History of Colonel Hooke's Negotiations in Scotland in Favour of the Pretender; in 1707, Etc** Nathaniel HOOKE (Colonel.), 1760 **Scottish History** Edward J Cowan, 2020-03-31 No detailed description available for Scottish History *Fodor's Scotland* Fodor's Travel Guides, 2016-04-19 Written by locals Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years Scotland offers astonishing variety its iconic lochs and mountains as well as lively cities such

as Edinburgh and Glasgow have strong allure St Andrews is a pilgrimage for golfers castles dot the country and whisky distilleries are gaining popularity Scotland's customs and products from tartans to tweeds are known worldwide but there's nothing like experiencing them firsthand This travel guide includes Dozens of maps Hundreds of hotel and restaurant recommendations with Fodor's Choice designating our top picks Multiple itineraries to explore the top attractions and what's off the beaten path Major sights such as The Calanais Standing Stones Tobermory Isle of Skye Glencoe Loch Lomond and the Trossachs and Kelvingrove Coverage of Edinburgh and the Lothians Glasgow The Borders and the Southwest Fife and Angus The Central Highlands Aberdeen and the Northeast Argyll and the Isles Inverness and Around the Great Glen The Northern Highlands and the Western Isles Orkney and Shetland Islands Highlanders James MacKillop, 2024-01-04 Rebellion was recurrent in the Highlands because the Gaels Scoti were an often oppressed indigenous minority in the nation Scotland to which they gave their name They spoke a language Gaelic few outsiders would learn and had their own family and social system the clans Warfare was bloody culminating in the catastrophe of Culloden Moor during the doomed quest to restore the Stuart kingship to all of Britain Economic hardship including the near genocidal Clearances in which tenant farmers were replaced with sheep drove the Gaels from the glens and islands so that most today live in the diaspora including millions in North America Although the Gaels lack a single genetic identity they clearly draw from distinct roots in the Irish Norse and Picts Despite their hardship the Gaels are also presented in romantic portrayals by the artistic elite of other nations This book offers ways in which the reader might find roots and ancestry in unfamiliar terrain Chapters discuss the landscape and language of the Highlanders the rise of clans feuds and invasions and eventual emigration *Lonely Planet Scotland* Lonely Planet, *Scotland* Magnus Magnusson, 2003 Chronicles the social economic and political history of Scotland starting with its earliest peoples in 7000 B C and wrapping up with a discussion of eighteenth century author Sir Walter Scott

Scotland and the Caribbean, c.1740-1833 Michael Morris, 2015-03-12 This book participates in the modern recovery of the memory of the long forgotten relationship between Scotland and the Caribbean Drawing on theoretical paradigms of world literature and transnationalism it argues that Caribbean slavery profoundly shaped Scotland's economic social and cultural development and draws out the implications for current debates on Scotland's national narratives of identity Eighteenth to nineteenth century Scottish writers are re-examined in this new light Morris explores the ways that discourses of improvement in both Scotland and the Caribbean are mediated by the modes of pastoral and georgic which struggle to explain and contain the labour conditions of agricultural labourers both free and enslaved The ambivalent relationship of Scottish writers including Robert Burns to questions around abolition allows fresh perspectives on the era Furthermore Morris considers the origins of a hybrid Scottish Creole identity through two nineteenth century figures Robert Wedderburn and Mary Seacole The final chapter moves forward to consider the implications for post devolution post referendum Scotland Underpinning this investigation is the conviction that collective memory is a key feature which shapes behaviour and beliefs

in the present the recovery of the memory of slavery is performed here in the interests of social justice in the present

Whisky, Kilts, and the Loch Ness Monster William W. Starr, 2012-06-05 A celebration of Scottish life and spirited endorsement of the unexpected discoveries to be made through good travel and good literature *Whisky Kilts and the Loch Ness Monster* is a memoir of a twenty first century literary pilgrimage to retrace the famous eighteenth century Scottish journey of James Boswell and Samuel Johnson two of the most celebrated writers of their day An accomplished journalist and aficionado of fine literature William W Starr enlivens this crisply written travelogue with a playful wit an enthusiasm for all things Scottish the boon and burden of American sensibility and an ardent appreciation for Boswell and Johnson who make frequent cameos throughout these ramblings In 1773 the sixty three year old Johnson was England's preeminent man of letters and Boswell some thirty years Johnson's junior was on the cusp of achieving his own literary celebrity For more than one hundred days the distinguished duo toured what was then largely unknown Scottish terrain later publishing their impressions of the trip in a pair of classic journals In 2007 Starr embarked on a three thousand mile trek through the Scottish Lowlands and Highlands following the path though in reverse of Boswell and Johnson Starr tracked their route as closely as the threat of storms distractions of pubs and limitations of time would allow Like his literary forebears he recorded a wealth of keen observations on his encounters with places and people lochs and lore castles and clans fables and foibles Starr couples his contemporary commentary with passages from Boswell's and Johnson's published accounts letters and diaries to weave together a cohesive travel guide to the Scotland of yore and today comparing reflections from two centuries ago to his own modern day perspectives The tour begins and ends in Edinburgh and includes along the way visits to Glasgow Inverness Loch Ness Culloden Auchinleck the Isles of Iona and Skye and many more destinations In addition Starr expands his course to include two of the farthest reaches of Scotland where eighteenth century travelers dared not tread the Outer Hebrides and the Orkney Islands remarkable regions shaped by distinctive weather history and isolation Blending biography intellectual and cultural history and comic asides into his travelogue Starr crafts an inviting vantage point from which to view aspects of Scotland's storied past and complex present through an illuminating literary lens The well read globetrotter and the armchair adventurer will each benefit from this compendium of fascinating revelations about Scotland's colorful volatile heritage its embrace of myth and legends its flirtations with both tradition and commercialization and its legacy as more than a source of single malts bagpipes and kilted genealogies

A Companion to Late Antiquity Philip Rousseau, 2012-01-25 An accessible and authoritative overview capturing the vitality and diversity of scholarship that exists on the transformative time period known as late antiquity Provides an essential overview of current scholarship on late antiquity from between the accession of Diocletian in AD 284 and the end of Roman rule in the Mediterranean Comprises 39 essays from some of the world's foremost scholars of the era Presents this once neglected period as an age of powerful transformation that shaped the modern world Emphasizes the central importance of religion and its connection with economic social and political life

Winner of the 2009 Single Volume Reference Humanities Social Sciences PROSE award granted by the Association of American Publishers **Paddle Scotland** Alasdair Findlay, 2023-04-27 The definitive guide to seeing all the wonders of Scotland under paddle power Scotland is one of the most appealing destinations for kayakers canoeists and paddleboarders from all over the world That s because if there is one country best seen from the water it is Scotland Loch Ness contains more water than all of the rivers and lakes in England and Wales combined and there are 27 000 other lochs to explore as well What s more with 125 000km of rivers and 800 islands there s always somewhere new to paddle And the spectacular Scottish scenery only adds to the appeal This book is the complete guide to paddling the wonderfully varied waterways lochs rivers and coasts of Scotland compiled by Ally Findlay a paddleboard instructor and tour guide based in Glasgow He covers all regions of Scotland South Scotland including the coast at Kirkcudbright and Fleet Bay and inland to Loch Ken and the Galloway Canoe Trail Central Scotland including Loch Lomond and the beautiful Trossachs National Park East Coast Scotland including the Forth Bridges West Coast Scotland from the coast at Arasaig to lochs and rivers including the amazing Rannoch Moor Scottish Highlands which become a magical playground in the northwest following the Inverpoly routes From short paddles to day trips into the stunning wilderness this book covers excursions for all occasions and all levels of ability explaining where to begin and what to look out for Most are well suited to canoe and kayak but going further some are even better explored standing up on a paddleboard including cross Scotland routes such as the Shin System With beautiful and evocative photography and clear maps this is the essential guide to seeing Scotland under paddle power exploring where to go how to get there and what to see en route **Land of the Gods** Philip Coppens, 2015-02-25 Land of the Gods is the historical archeological story of the ancient inhabitants of Scotland the Lothians and the Borders tribes whom the Romans called the Goddodin The Romans did not conquer these ancient inhabitants though when they retreated from Britain neighboring tribes tried to lay claim to their lands Then a magnificent warrior emerged from these ancient Scottish tribes Remembered as Arthur he fought for the survival of his land and won and his Camelot was the Lothians and Borders region After his reign the region was finally overrun and his people fled to Wales where over time the story of their magical kingdom to the north and their mythical hero coalesced into the myth of Camelot and King Arthur Today remnants of the spiritual architecture of these tribes are visible in Cairnpapple Traprain Law and other ancient Scottish monuments They accentuated their region s unique volcanic landscape to reflect their mythology which spoke of gods descending to Earth from the sun god Loth *Connecting Scotland's History* Anna Groundwater, 2025-05-30 What was happening elsewhere in the world when Robert the Bruce was outlawed and Mary Queen of Scots lost her head When Genghis Khan was on the warpath and Ivan the Terrible was the Russian czar what was happening in Scotland Find the answers to these questions in 2 000 years of Scottish history presented alongside what was happening in the rest of the world By placing events in Scotland in relation to those elsewhere we can see what is different or distinctive about Scotland s experience Simultaneously we can also see where

movements in Scottish history were part of wider cultural or political change in Europe and beyond John Knox's fiery sermons of the 1560s were connected into a wider Protestant Reformation but they also represented a singularly Scottish version of a European phenomenon Connecting Scotland's History also gives us a history of many Scotlands We see the hybrid nature of a country where multiple peoples have come together in a distinctively Scottish mixture From the Gaels Picts and Norse people to more recent influxes from England Ireland continental Europe and beyond Scotland's history tells us of internal connections as well as connections between Scotland and the wider world

Military History of Scotland

Spiers Edward M. Spiers, 2014-07-11 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain's imperial and world wars Eschewing a narrow definition of military history it investigates the cultural and physical dimensions of Scotland's military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland's fortifications and battlefield archaeology and Scotland's military memorials and museum collections
