Murray Neil,1999 **MacPherson's Rant** Stuart McHardy,2020-10-15 The fiddle has long played an important part in Scottish musical tradition Here in MacPherson s Rant and Other Tales of the Scottish Fiddle there are stories that reflect that importance Whether the fiddle is in the hands of the notorious Highland freebooter MacPherson or being played by a young man learning a fairy tune these tales reflect a traditional culture that is still thriving Some of the stories are truly ancient while others quite modern but all show that throughout Scotland there has long been a ready audience for music made by horsehair on catgut Today as Scottish culture

continues to thrive in the face of all the modern world can throw at it we should perhaps think on what Robert Burns once did to a friend Lang may yer elbuck jink an diddle In addition to introducing some of the most famous as well as some of the lesser known tales of the Scottish fiddle Stuart McHardy also examines the history of the instrument its repertoire and the place the fiddle and the fiddler have played in Scottish culture over the centuries The result is a lively and informative companion to one of the central elements of the Scottish musical tradition **The Fiddle in Scottish Culture** Katherine Campbell, 2008
