Scottish Moods:

The Lie Natalie Wrye,2021-03-19 ANDREW Seven years ago I took off my tux slapped on a pair of secondhand jeans and walked away from my billion dollar inheritance I guess I didn't walk far enough Because yesterday my inheritance came back to me and in order to claim it I need to find a fake fiancé to satisfy my family's billion dollar demands That's where my tyrannical uptight boss Nancy comes in a royal pain in the seat of the secondhand jeans I've worn since the day I became her bartender Truth is I've been lying for seven years I figure I can lie for one more weekend But what I can't lie about is how I've started to see the usually buttoned up Nancy in a whole new light How I've started to notice how sexy she is out of those overly prim pencil skirts And how much I want to rub my fingers over her strawberry red mouth But I can't Because she's my boss Because it's only a weekend And because our pretend relationship one of many amongst my family's most dangerous secrets is only a lie Isn't it

When The Screaming Stops: The Dark History Of The Bay City Rollers Simon Spence,2016-10-07 What happened to the Bay City Rollers is one of the greatest scandals in music industry When The Screaming Stops reveals the dark truth behind rollermania the pioneering boy band fad which gripped the UK in the seventies exposing the sinister undercurrents which underpinned the band's phenomenal success Dazzled by sudden global fame and under the grip of their Svengali manager Tom Paton the Bay City Rollers descended into a world of depravity victimhood crime and psychosis Whilst promoting his young lads as clean living teetotalers Tom Paton subjected them to various forms of sexual abuse band members became hooked on drugs and their fall was almost as rapid as their rise leaving them penniless and emotionally destroyed In 1979 Paton was finally convicted of gross indecency with teenage boys That such exploitation could have happened to one of the world's most famous boy bands is a brutal reminder that conspiracies of silence about sexual exploitation were once the norm in the music and entertainment business The Dark History Of The Bay City Rollers is a no holds barred expose of sex drugs and financial mismanagement based on over 500 hours of interviews with many of the band's closest associates including former members When The Screaming Stops includes curated music Whilst you read the book hear the classic songs of the Bay City Rollers and surround yourself with the music that surrounded them

Between 1971 and 1977 Edinburgh's Bay City Rollers achieved ten top ten hit singles four top ten albums two number one singles and two number one albums For five years they were the biggest pop teen sensation since the Beatles But the music industry was not all glitz and glamour Stuart had no inkling of the ruthless machinery behind the scenes exploiting his talent and dreams Rollermania swept the globe the Bay City Rollers conquered hearts and charts selling a staggering 300 million records While many claim to know the full Rollermania story for the first time Stuart one of the few people who lived it tells his story Mania is a celebration of one of the world's biggest bands and their enduring legacy a rollercoaster ride through fame fortune and the unforgettable music that defined an era
