Cruising Scotland Mike Balmforth, Edward Mason, Clyde Cruising Club, This lavishly illustrated book has been designed as a companion to the Clyde Cruising Club's Sailing Directions and covers the Scottish west coast from the Clyde to Cape Wrath and all the outlying islands Cruising Scotland makes inspiring and informative reading for anyone considering sailing the area It provides additional information points of interest and many photographs and is a fascinating and invaluable addition to the Club's publications No yacht cruising the Scottish west coast should be without a copy It was first written by the late Journal Editor Mike Balmforth in conjunction with the Editor of the Sailing Directions Edward Mason who has now prepared this third edition with Imray

People and Power in Scotland Roger A. Mason, Norman Macdougall, 2001-01-01 Few Scottish historians are better known than T C Smout and fewer still more deserving of the high esteem in which they are held He has made an outstanding contribution to Scottish historical studies both as an academic discipline and as a subject of wide popular appeal His retirement in 1991 after twelve years as Professor of Scottish History at the University of St Andrews diminished neither his interest nor his output It did however provide a fitting opportunity to honour his accomplishments This collection of ten essays by his friends and colleagues at St Andrews is a measure of his enormous success in promoting Scottish history there and of their respect for his achievements Ranging widely over the Scottish past from the fifteenth to the nineteenth centuries from high politics to popular protest from shipwrecks to railway mania from local social studies to the problem of national identity the essays pay tribute to the depth of Smout's historical understanding by reflecting the breadth of research that he has done so much to encourage

Scotland's Islands Richard Clubley, 2014-05-12 This is not a guide to the islands of Scotland This is not a tour to be followed nor is it travel advice This is a richly anecdotal and personal exploration Richard Clubley shares the sense of freedom he finds in the Scottish islands as he discovers their individual character beauty and diversity He meets locals and learns a few realities of island life He almost perished on Ailsa Craig before finding fresh water dripping from the roof of a cave but spends two idyllic nights alone on Mingulay with a fabulous coal fire in a bothy His passion for Scottish islands shines through every chapter Curl up by the fire pull the blanket close and sip on your dram You're about to escape to the islands Prepare for addiction A book for islanders to savour in sips Night caps are suggested that way the addiction can be controlled MAIRI HEDDERWICK
