Scottish Reminiscences Archibald Geikie, 1904 **Scottish Reminiscences (Classic Reprint)** Archibald Geikie, 2015-07-10 Excerpt from Scottish Reminiscences: One who has sojourned in every part of a country and for sixty years has mingled with all classes of its inhabitants, who has watched the decay and disappearance of old and the uprise of new usages, who has been ever on the outlook for illustrations of native humour, and who has been in the habit all along of freely recounting his experiences to his friends, may perhaps be forgiven if he ventures to put forth some record of what he has seen and heard as a slight contribution to the history of social changes. Literature is rich in Scottish reminiscences of this kind, so rich indeed that a writer who adds another volume to the long list runs great risk of repeating what has already been told.
