Scouting In Iowa the Values Endure:

Scouting in Iowa--The Values Endure Paul W. Lewis,1999-01-01 **Men of Schiff, A History of the Professional Scouters Who Built the Boy Scouts of America** Winston Davis,2013-03 The book tells the stories of the men who were paid professionals in the Boy Scouts of America in the first half of the Twentieth Century They had personal struggles and sometimes conflict among themselves These men worked tirelessly to create the largest Scouting organization in the world and one of the largest youth movements of all time The book gives some insight into their stories and the impact of their contributions toward the country we live in today *Modern Manhood and the Boy Scouts of America* Benjamin René Jordan,2016-03-07 In this illuminating look at gender and Scouting in the United States Benjamin Ren Jordan examines how in its founding and early rise the Boy Scouts of America BSA integrated traditional Victorian manhood with modern corporate industrial values and skills While showing how the BSA Americanized the original British Scouting program Jordan finds that the organization s community based activities signaled a shift in men s social norms away from rugged agricultural individualism or martial primitivism and toward productive employment in offices and factories stressing scientific cooperation and a pragmatic approach to the responsibilities of citizenship By examining the BSA s national reach and influence Jordan demonstrates surprising ethnic diversity and religious inclusiveness in the organization s founding decades For example Scouting officials preferred urban Catholic and Jewish working class immigrants and modernizable African Americans and Native Americans over rural whites and other traditional farmers who were seen as too backward to lead an increasingly urban industrial society In looking at the revered organization s past Jordan finds that Scouting helped to broaden mainstream American manhood by modernizing traditional Victorian values to better suit a changing nation

W Marriott Jr Ross Perot Michael Bloomberg Richard Lugar Michael Dukakis Supreme Court Justice Stephen Breyer Treasury Secretary Hank Paulson coach Chan Gailey and Capt Jim Lovell of Apollo 13 The book also explores the virtues of a Tuskegee Airman a Vietnam War POW a September 11 NYPD hero a crew of Hurricane Katrina relief workers and a host of others from every walk of life During his journey Alvin discovered stories of character courage and inspiration that belong not only to Eagle Scouts but to all Americans These stories form the heart of Legacy of Honor and offer us a chance to appreciate the profound impact that Eagle Scouts have had on American history and the lasting role they will play in our country's future

On My Honor Rick Perry, 2008 Rick Perry examines in detail the issues that have led to the attacks on Scouting and the forces in American society that have organized and carried out those attacks He also discusses the tactics of those seeking to drive God from the public square and the irony that those who attack the Scouts in the name of religious freedom will if successful actually suppress freedom of religion The book also explains the Scouts refusal to bend to the winds of political correctness by allowing activist homosexual scoutmasters The ramifications of the legal challenges to Scouting are examined including how the Boy Scouts of America BSA has responded and essentially prevailed Examining recent polling data Perry has compared Scouting's program and values with broader trends in values in American society As you will see Scouting's values fit closely with those of society as a whole
