The Boy Scouts' Year Book, 1921 *Texas Bluebonnet* David Murphy, 2005 Christened Claudia Alta Taylor when she was born in a country mansion near Karnack Texas she received her nickname Lady Bird as a small child and as Lady Bird she is known and loved throughout America today Perhaps that name was prophetic as there has seldom been a First Lady so attuned to nature and the importance of conserving the environment Bird was President Lyndon Johnson's partner confidante and helpmate She helped keep his Congressional office open during World War II when he volunteered for naval service and in 1955 when he had a severe heart attack she helped his staff keep things running smoothly until he could return to his post as Majority Leader of the Senate He once remarked that voters would happily have elected her over me She created a First Lady's Committee for a More Beautiful Capital then expanded her program to include the entire nation She took a highly active part in her husband's war on poverty program especially the Head Start project for pre school children This new book traces Lady Bird's life in a lively informative and entertaining manner
