The Curse of Frankenstein Marcus K. Harmes,2015-06-30 Critics abhorred it audiences loved it and Hammer executives where thrilled with the box office returns The Curse of Frankenstein was big business The 1957 film is the first to bring together in a horror movie the unholy two Christopher Lee and Peter Cushing together with the Hammer company and director Terence Fisher combinations now legendary among horror fans In his Devil s Advocate Marcus Harmes goes back to where the Hammer horror production started looking at the film from a variety of perspectives as a loose literaryadaptation of Mary Shelley s novel as a film that had for legal reasons to avoid adapting from James Whale s 1931 film for Universal Pictures and as one which found immediate sources of inspiration in the Gainsborough bodice rippers of the 1940s and the poverty row horrors of the 1950s Later Hammer horrors may have consolidated the reputation of the company and the stars but these works had

their starting point in the creative and commercial choices made by the team behind *The Curse of Frankenstein*. In the film sparks fly, new life is created and horrors unleashed, but the film itself was a jolt to 1950s cinema going that has never been entirely surpassed. United Artists Peter Krämer, Gary Needham, Yannis Tzioumakis, Tino Balio, 2020-01-29 Established in 1919 by Hollywood's top talent, United Artists has had an illustrious history from Hollywood minor to industry leader to a second-tier media company in the shadow of MGM. This edited collection brings together leading film historians to examine key aspects of United Artists' centennial history from its origins to the sometimes chaotic developments of the last four decades. The focus is on several key executives ranging from Joseph Schenck to Paula Wagner and Tom Cruise and on many of the people making films for United Artists, including Gloria Swanson, David O. Selznick, Kirk Douglas, the Mirisch brothers, and Woody Allen. Drawing on a wide range of primary sources, individual case studies explore the mutually supportive but also in places highly contentious relationships between United Artists and its producers, the difficult balance between artistic and commercial objectives, and the resulting hits and misses among them: *The General*, the Pink Panther franchise, *Heaven's Gate*, *Cruising*, and *Hot Tub Time Machine*. The second volume in the Routledge Hollywood Centenary series, *United Artists* is a fascinating and comprehensive study of the firm's history and legacy, perfect for students and researchers of cinema and film history, media industries, and Hollywood.
