Secrets of Screen Acting Patrick Tucker, 2014-11-13 When it was first published in 1993 *Secrets of Screen Acting* broke new ground in explaining how acting for the camera is different from acting on stage Reaction time is altered physical timing and placement are reconceived and the proportions of the digital frame itself become the measure of all things so the director must conceptualize each image in terms of this new rectangle and actors must fit into the frame Based on a revolutionary non Method approach to acting this book shows what actually works how an actor an announcer anyone working in front of the cameras gives excellent performances on screen Instead of starting with what is real and trying to wrestle that onto the screen Patrick Tucker explains how to work with the realities of a shoot and work from there towards the real His step by step guide to the elements of effective screen acting is an extension and explanation of a lifetime of work in the field containing over 50 acting exercises and the tried and tested Screen Acting Checklist As well as being completely updated to cover new techniques film references and insights this third edition now includes a set of Film Clip Time Codes for each film These not only itemise the films discussed in each chapter but also pinpoint the precise moments where each example can be found so that students teachers and professional actors can refer to them quickly and easily *Great Britons of Stage and Screen* Barbara Roisman Cooper, 2015-10-01 Although there are encyclopedias and biographical dictionaries of contemporary British film and theatre actors most lack the intimacy of face to face interviews Typically drawn from secondary sources collections of interviews often repeat tired anecdotes about an actor's film or stage roles with very little nuance or fresh insights *Great Britons of Stage and Screen In Conversation* features interviews with some of the leading actors of the last fifty years and more In this collection Barbara Roisman Cooper presents interviews she personally conducted with more than twenty stars of film television and theatre Held in intimate surroundings including the actors' private homes and theatre dressing rooms between performances these interviews provide readers with a rounded understanding of the creative process and the dedication required to develop a performance Including many well known Oscar Tony Olivier and BAFTA winners each interview is preceded by a short introduction and followed by the performer's most significant credits both on the stage and screen The actors and actresses who shared their stories in this volume include Dame Eileen Atkins Isla Blair Simon Callow Dame Joan Collins Peggy Cummins Sinéad Cusack Samantha Eggar Stephen Fry Julian Glover Stephen Greif Jeremy Irons Sir Derek Jacobi Felicity Kendal Sir Ben Kingsley Dame Angela Lansbury Sir John Mills Alfred Molina Lynn Redgrave Jean Simmons David Suchet Richard Todd Michael York Designed to serve as a resource for those studying or writing about the worlds of theatre and film in general and the art and craft of acting specifically *Great Britons of Stage and Screen* will also appeal to the many fans of the artists who have entertained audiences for decades
