Scripture And Imagination The Empowering Of Faith:

Scripture and Imagination William Beaven Abernethy, Philip Joseph Mayher, Maria Harris, 1988 **Empowered by Faith** Zondervan, 2009-08-30 What would happen if we actually lived our faith to its full potential Not defined it not discussed it not preached it to others but actually practiced it with simplicity and consistency each day of our lives Imagine the impact we could have on those around us if with God as our source we would radiate his love optimism and grace in all our circumstances and relationships Today Christians are often seen as negative and judgmental That is not the character of Jesus Our Lord has called us to lives of incredible potential filled with challenges worthy of his name lives of passion risk growth heart depth and deeds big and small all designed to display what God's kingdom is really about to a watching world That is what faith is about It is the faith Dick Capen invites us to reach for a faith not for superstars but for ordinary people Capen offers a faith lift that will change how you view your life how you live it and how it impacts others as you go about being who you were created to be **God's Intelligent Design for Christ-Centered Spiritual Transformation** Eric

vonAnderseck, 2016-11-03 When the Holy Spirit directed me to write this thesis it was after God had implemented the changes and corrections for the church and believers began to benefit fully from the transition I hope you will be blessed by the many wonderful testimonies throughout The apostolic thesis is the first of its kind Not only does the Holy Spirit explain faith crisis and spiritual exploitation but also uncovers the underlying root causes God is addressing a faith in crisis a spiritual government in crisis and belief systems that He did not authorize or sanctify in the name of Jesus Christ The church had suffered under the hands of many spiritual butchers slicing and dicing faith this way and that Each area of spiritual exploitation has had a catastrophic and blinding influence on all facets of Christian life Believers were led into a very confusing era Ministers were constantly rehashing faith programs as they sorted out their own failings reducing covenant to a psychology Ideas were tabled as quickly as they were introduced Thankfully the church has now entered into a new apostolic era God has restored His true culture of faith and heritage to the church helping believers understand once again the apostolic authority calling and anointing **The Enduring Authority of the Christian Scriptures** D. The Eyes of Faith Ormond Rush, 2009 Winner of the 2010 Lynlea Rodger Australia Theological Form ATF Press Theological Book Prize The Eyes of Faith presents a systematic theology of the sense of the faithful *sensus fidelium* and shows the fundamental and necessary interrelationship between *sensus fidelium* tradition Scripture theology and the magisterium Ormond Rush provides fresh perspectives on a number of issues He proposes that tradition and Scripture are the products of the *sensus fidelium* and that the inspiration of Scripture is best understood in terms of the Holy Spirit working through the *sensus fidelium* In addressing the role of the *sensus fidei* in the lives of individual believers the book provides a unique approach to the way Christians make sense of their faith within the diverse contexts of daily life It shows how the imaginative capacity of the *sensus fidei* forms a foundational notion for understanding the diversity of spiritualities inculturations and contextualizations of the Gospel in the history of the church up to the present This ecclesial activity of interpreting the Christ event through the *sensus fidelium* enables the church to proclaim the Gospel in new times and cultures throughout history The Eyes of Faith proposes that for an effective teaching of the faith to contemporary Christians the distinctive roles of the magisterium and of theology must be conceived primarily in terms of and in relationship to the ecclesial Spirit given capacity of the *sensus fidelium*

ABOUT THE AUTHOR Ormond Rush is lecturer of theology and former president of St Paul's Theological College in Banyo Australia and is president of the Australian Catholic Theological Association He is the author of *Still Interpreting Vatican II Some Hermeneutical Principles and The Reception of Doctrine An Appropriation of Hans Robert Jauss Reception Aesthetics and Literary Hermeneutics*

Real People, Real Faith Cindy Halvorson, 2022-02-15 The characters in Scripture are often portrayed as one dimensional as caricatures instead of human beings with real needs authentic pain and compelling fears When their problems are viewed as one dimensional so is their faith Approaching biblical characters in this way can inhibit listeners ability to hear the biblical witness as relevant to their own lives and can minimize the impact of Scripture on their faith journey Real People Real Faith provides practical tools to portray biblical characters as multidimensional human beings who encountered and journeyed with God Placing high value on historical cultural and scriptural contexts Cindy Halvorson demonstrates techniques for generating holistic characters particularly by exploring archetypal human reactions and spiritual longings She shows how the preacher can use this method to reimagine the biblical characters present figures with whom listeners relate and empathize and draw portraits of real people whose relationship with God is in many ways like listeners own people with whom they may sojourn and grow When listeners are touched by a biblical character's story and shown how their relationship with God was transformed they too may experience the Divine's love and care for them

Empowered for Supernatural Living Riaan Engelbrecht, 2023-02-02 Over many years the Lord has continually pressed it on my heart that the church is called to lead a supernatural life We need to be reminded that as disciples of Jesus we are sons and daughters of the Most High God We are

called to live in the supernatural and by the supernatural As followers of Christ we are challenged to demonstrate God's power in the supernatural acts of God Jesus wants us to live the reality of His Word and Presence What would the church look like today if we had never limited and lost the supernatural demonstration of the power of God The reality is that we want to live more like Jesus we cannot ignore His supernatural ministry The supernatural life is the everyday life the Christian lives under the influence and leading of the Holy Spirit It is the ability to live victoriously by the power of the Holy Spirit and assailing the challenges of life It is a life sold out to God a life yielded to the impossible Yet is a life dedicated to God and His Kingdom So why would anyone choose to live in the natural realm on a low low level when we can live in the supernatural realm and soar in the Spirit

MOUNTAINTOP VIEW OF FAITH Charles E. Maldon Sr.,2011-10-27 A Mountaintop View of Faith is an anointed truthful and empowering book on God's promise your faith and victory over everyday adversity It is a hard hitting provocative and exhilarating work written to empower especially believers to deepen their faith and be encouraged even facing seemingly impossible adversities Maldon states that adversities will always be a part of life and he contends that Satan desires to ultimately crush our resolve hinder our promises from God and weaken our faith in the sufficiency of God He points out that adversities may be two fold trials appointed by God or those self inflicted resulting from our rebellion against God's spiritual instructions He skillfully teases out how self imposed cripples such as anger unforgiveness selfishness disobedience pride immorality worry and others can rob you of peace and promises from God Maldon encourages us to deepen our faith to reach a pinnacle mountaintop perspective of God
