Scripture And The Authority Of God:

Scripture and the Authority of God Nicholas Thomas Wright, 2014-05-09 Presents a new model for how to understand the place of scripture and God s authority in the midst of religious confusion Scripture and the Authority of God N. T. Wright, 2011-03-01 In Scripture and the Authority of God How to Read the Bible Today Widely respected Bible and Jesus scholar N T Wright gives new life to the old tattered doctrine of the authority of scripture delivering a fresh helpful and concise statement on the current battles for the Bible and restoring scripture as the primary place to find God s voice In this revised and expanded version of The Last Word leading biblical scholar N T Wright shows how both evangelicals and liberals are guilty of misreading Scripture and reveals a new model for understanding God s authority and the Bible The Last Word N. T. Wright, 2005-11-22 While showing how both evangelicals and liberals misread Scripture a leading Bible scholar and Anglican bishop shows how to restore the Bible s authority today for guiding the church through its many controversies

Solid Jack Cottrell, 2002-06-11 The attack has been renewed once again The same issues today have been settled many times over the centuries Because the question is being resurrected again it is necessary to restate the nature of biblical authority Solid states the case for the inerrancy of Scripture which is the only consistent approach to Biblical authority In addition to the apologetic benefit of the book practical implications are presented for Christian faith and life Cottrell writes clearly and concisely in order to provide a clear study for as many readers as possible Chapters include Jesus and the Bible Inerrancy of the Bible Dealing with Difficulties in the Bible Reasons for Believing the Bible and more God's Word **Alone---The Authority of Scripture** Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God s people God s Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it s so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more

than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches **Biblical Authority Or Biblical Tyranny?** L. Sparks, 2020-02-27 No matter what side you re on or how you look at it we re living in a world that s filled with fake news and with lots of people who believe it How do Christians fits into this world In this book Kenton Sparks argues that certain approaches to biblical authority which assume that the Bible is a perfect book make Christians especially susceptible to the deceptions of fake news and cause us to embrace false understandings of the Bible and because of this about natural science social science various academic disciplines politics morals ethics and loads of other things The resulting damage to faith and Christian witness is significant Is there a better way to understand and honor biblical authority Yes We must restore God as the final authority over our interpretations of Scripture The path forward for this theological agenda was modeled by Jesus Christ in his interpretations of Scripture Whereas his contemporaries often followed the letter of the law or something akin to it Jesus taught that love for God and neighbor provided the proper foundation and destination for healthy readings and applications of the Bible If love required more radical internal commitments to the law Jesus demanded this of his audience where love required that we set aside the law s violent judgments he pointed his audience in the opposite direction In modeling this approach to Scripture Jesus taught as one with authority and thus showed us that when we interpret Scripture through the lens of divine love we give ourselves the best opportunity to read Scripture under the authority of God God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F.
