## **Scripture And The Church Selected Essays Of Hermann Sasse:**

**Scripture and the Church** Hermann Sasse, Jeffrey J. Kloha, Ronald R. Feuerhahn, 1995-01-01      **Twentieth-Century Lutheran Theologians** Mark C. Mattes, 2013-08-14 This collection of essays examines important twentieth century Lutheran theologians including European and North American voices Each essay provides an overview of the life and thought of important confessional Lutherans who shaped theology with an ecumenical world wide impact The focus here is not on later twentieth century figures but earlier ones selected similar to the spirit manifest in Karl Barth s contention lest we forget where contemporary theology came from Protestant Theology From Rousseau to Ritschl The essays composed over the last five years were initiated by Lutheran Quarterly in order to assess our recent past as we move into a new millennium The goal of each author each a leading theologian has been to describe each thinker s life and vocation and how each thinker s work continues to impact theology today      **These Are Written** Peter Nafzger, 2013-05-31 Today there is an increasing awareness and availability of the sacred writings of the world s religions This raises important questions about the Christian Scriptures What is distinctive about these writings What role do they play in the Christian story What makes these particular texts holy The modern battle for the Bible with its narrow focus on proving or disproving biblical inerrancy has made it difficult to provide sufficient answers This work of constructive theology rethinks the concepts categories and assumptions that have dominated the modern approach to the Bible by returning to the biblical narrative and its focus on the cross It identifies the Scriptures as the written form of the living and active Word of God which was spoken by the prophets and apostles and became human in the person of Jesus Christ This conception of the Bible provides Christians in this postmodern world with a solid ground from which to address pressing questions about canon authority and interpretation of their Scriptures      *Hermeneutics in Romans* Timo Laato, Bror Erickson, Kristina Odom, Weslie Odom, 2021-06-08 And behold a lawyer stood up to put him to the test saying Teacher what shall I do to inherit eternal life He said to him What is written in the Law How do you read it Luke 10 25 26 Eternal life is found within the pages of Holy Scripture both in the Old Testament Torah referred to as the Law in this exchange between Jesus and the lawyer and in the New Testament written in the wake of Christ s resurrection But as Jesus points out it matters how you read Holy Scripture and this is where the art of hermeneutics the study of interpretation makes its entrance In *Hermeneutics in Romans* Dr Timo Laato returns to the old Lutheran maxim that scripture interprets scripture Usually this maxim meant that portions of scripture that were clear should be used to shed light on portions of scripture that are unclear Dr Laato takes it even one step further He turns to Romans to study the hermeneutical principles that Paul used to interpret the Old Testament in that epistle This results in a dynamic view of the Bible rescuing hermeneutics from the dead atheistic presumptions that have governed academic hermeneutical research since Kant Not only does Dr Laato s approach make immanent sense on the face of it it breathes life into the study of scripture and delivers eternal life to the reader in Jesus Christ who proves to be the ultimate hermeneutical key      **Pastor**

**Craft** John T Pless, John T. Pless, Jacob Corzine, 2021-12-14 Pastoring God's people is not about managerial techniques or quick fix therapies Pastors are not life coaches or salesmen They are ambassadors of Christ Jesus called to speak not of their own wisdom but the wisdom of the cross Their craft is the art of knowing how to distinguish God's Law from His Gospel They preach the Law not in order to renovate broken lives but to reveal the rot that sin has caused so that God's other word the good news of the forgiveness of sins can ring true and clear restoring the joy of salvation to those caught in guilt and despair This book is aptly titled Pastor Craft as it takes us into the workshop of a teacher whose life has been devoted to teaching this craft to those calling it will be to preach this good Word in season and out of season Young pastors will find seasoned wisdom here for faithful ministry Veteran pastors might read the book as something as a refresher course in pastoral theology

*Science and Religion in Wittgenstein's Fly-Bottle* Tim Labron, 2017-09-21 Are science and religion in accord or are they diametrically opposed to each other The common perspectives for or against religion are based on the same question Do religion and science fit together or not These arguments are usually stuck within a preconceived notion of realism which assumes that there is a true reality that is independent of us and is that which we discover However this context confuses our understanding of both science and religion The core concern is not the relation between science and religion it is realism in science and religion Wittgenstein's philosophy and developments in quantum theory can help us to untie the knots in our preconceived realism and as Wittgenstein would say show the fly out of the bottle This point of view changes the discussion from science and religion competing for the discovery of the true reality external to us realism and from claiming that reality is simply whatever we pragmatically think it is nonrealism to realizing the nature and interdependence of reality language and information in science and religion

On Paul Holmer, 2022-11-17 This book provides an in depth and rigorous examination of key 20th century American thinker Paul Holmer his work in both theology and philosophy and his under explored writings on Kierkegaard and Wittgenstein On Paul Holmer identifies what is singular and significant about Holmer's work and celebrates his capacity to cut through conventional classifications and categories It introduces readers to his thought through discussions of key issues such as philosophical theology faith and reason the church society science culture scripture and education Rallying against the obfuscating methods of contemporary theology and philosophy Holmer's thought is an important corrective to literal and absolutest thinking and continues to be a unique voice in theological and philosophical debates today

**The Journal Articles Of Hermann Sasse** Hermann Sasse, Bror Erickson, Matthew C. Harrison, Joel A. Brondos, 2016-11-30 This publication of Sasse's RTR articles marks yet another milestone in the continued publication of the works of one of the great Lutheran theologians of the twentieth century The RTR and Springfielder articles and the many book reviews presented in this volume have been all but inaccessible for decades All of them bear witness to Sasse's deep knowledge of Church history the New Testament Luther the Reformation the Eastern Church and Rome Though writing as a very convinced confessional Lutheran Sasse nevertheless affirms the breadth and scope of the *Una Sancta* He

dispels myths such as the ancient undivided church and untangles the riddles of Roman Catholicism with deepest respect and truth *Promising Faith for a Ruptured Age* John T. Pless, Roland Ziegler, Joshua C. Miller, 2019-11-19 Combining his deep knowledge of Luther with a passion to speak the promising word of the gospel with clarity and integrity in our age Oswald Bayer has emerged as a leading Lutheran theologian The chapters in this Festschrift demonstrate the wide scope of Bayer's interest Martin Luther Johann Georg Hamann the doctrine of justification ethics hermeneutics theological method sacraments and the theology of lament These essays written by scholars from North America and Australia who have been influenced by Bayer's pioneering work demonstrate the resources that his work has for not only Reformation studies and systematic theology but also for preaching liturgical theology pastoral care and apologetics For those who are not yet acquainted with the contributions of this Tübingen theologian *Promising Faith for a Ruptured Age* An English Speaking Appreciation of Oswald Bayer will serve as a guide to and commentary on Bayer's multifaceted approach to theology Those familiar with Bayer's work as a systematic theologian and Luther scholar will discover new applications of fundamental themes for in interdisciplinary research ecumenical conversation and church life **The Lutheran Synod Quarterly**, 1995

*A Confessing Theology for Postmodern Times* Michael Scott Horton, 2000 In a world in which absolute truth values and authority have lost their place the evangelical church needs most of all to be a beacon of truth and light Yet the relativistic mindset of our culture is seeping in pushing aside biblical content to make way for personal experience even in churches that once held firmly to the doctrines of the faith The result a watered down Gospel is having little impact on society or individual lives It is a challenge that must not go unmet In *A Confessing Theology for Postmodern Times* twelve confessing Christian scholars from various denominational backgrounds provide you with ideas and strategies for rising to that challenge They explore your resources for doing theology in a postmodern world as well as the obstacles and the opportunities it entails There is a crisis of truth in the world This volume is evidence that you can reach out to those who need the life changing message of the Gospel and still hold firm to a systematic biblical theology in postmodern times From book jacket

**Serpents in the Classroom** Thomas Korcok, 2022-02-22 *Serpents in the Classroom* answers questions that teachers pastors and parents often ask themselves Despite their best efforts why do children so often reject the Christian faith The answer is found in the theological presuppositions that undergird much of contemporary education Though the educational establishment often presents its models as products drawn from evidence based research that is theologically neutral they are anything but Rather they are founded on theologies that are diametrically opposed to orthodox Christian teaching Drawing on his experience as an educator pastor and professor Dr Korcok uncovers the theological tenets of some of the pedagogues who have been influential in shaping contemporary educational thought and discovers how they have intentionally designed education to turn children away from the Christian faith For the Christian teacher and parent there is an alternative Dr Korcok presents the classical liberal arts education model that has served the church well for almost 2 000

years as a practical and theologically sound model of education for training a child for a life of faith     The Virgin of  
Guadalupe Maxwell E. Johnson,2002-10-28 In The Virgin of Guadalupe Lutheran minister Maxwell Johnson recognizes that  
the tradition of the Virgin of Guadalupe is not only important to Latin American Catholics but to all Latin American Christians  
Johnson considers the Virgin of Guadalupe from a Lutheran perspective and looks at ways in which she might be received  
into the evangelical or Protestant tradition     Index to Book Reviews in Religion ,1998     *Serpientes en el aula* Thomas  
Korcok,2025-02-04 Serpientes en el aula responde a preguntas que profesores pastores y padres se plantean a menudo Pese  
a sus mejores esfuerzos por qu los ni os rechazan tan a menudo la fe cristiana La respuesta se encuentra en las premisas teol  
gicas que sustentan gran parte de la educaci n contempor nea Aunque la clase dirigente educativa suele presentar sus  
modelos como productos derivados de investigaciones basadas en pruebas y teol gicamente neutras no lo son en absoluto M s  
bien se basan en teolog as diametralmente opuestas a la ense anza cristiana ortodoxa Bas ndose en su experiencia como  
educador pastor y profesor universitario el Dr Korcok revela los principios teol gicos de algunos de los pedagogos que han  
influido en la configuraci n del pensamiento educativo contempor neo y descubre c mo han dise ado intencionadamente la  
educaci n para apartar a los ni os de la fe cristiana Para los profesores y los padres cristianos existe una alternativa El Dr  
Korcok presenta el modelo cl sico de educaci n en artes liberales que por casi dos mil a os ha servido eficazmente a la Iglesia  
como un modelo educativo pr ctico y teol gicamente sano para formar a los ni os para una vida de fe     **Directory of**  
**American Scholars: Philosophy, religion and law** ,1999     **The Self-Donation of God** Jack D. Kilcrease,2013-03-20 In  
The Self Donation of God Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who  
unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is  
grounded in God s promising speech the divine human relationship is fundamentally one of divine self donation and human  
receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of  
salvation in the face of the condemnation of the law Gen 3 15 As a new and effective word of grace the promise of a savior  
begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives  
himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and  
then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of  
the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the  
resurrection     From Wittenberg to the World Charles Arand,Erik H. Herrmann,Daniel L. Mattson,Christopher B.  
Brown,Günter Frank,Bruce Gordon,Barbara Mahlmann-Bauer,Tarald Rasmussen,Violet Soen,Zsombor Tóth,Günther  
Wassilowsky,Siegrid Westphal,2018-05-14 The book honours the Rev Dr Robert A Kolb retired Director of the Institute for  
Mission Studies and Missions Professor in systematic theology at Concordia Seminary St Louis and perhaps the leading  
authority on the development of Wittenberg Theology in the English speaking world At the same time his teaching and

writing which continues without flagging has emphasized the importance of translating and retranslating the historic Lutheran faith in terms that address contemporary issues and contemporary people In this volume colleagues and co workers address and push forward Kolb insights into the history of the Reformation era and on the impact of those Reformation issues and quarrels on the life of the church in the world today With contributions by Charles Arand L ubomir Batka Amy Nelson Burnett Irene Dingel Mary Jane Haemig Scott Hendrix Erik Herrmann Werner Kl n David Lumpp Mark Mattes Daniel Mattson Richard Muller Paul Robinson Robert Rosin and Timothy Wengert   **'Dark, Depressing Riddle'** Ryan Tafilowski, 2019-10-07 At the twilight of the Weimar Republic politicians scientists and theologians were engaged in debates surrounding the so called Jewish Question When the Nazi Party came to power in 1933 these discussions took on a new sense of urgency and poignancy As state measures against Jews unfolded theological conceptions of the meaning of Israel and Judaism began to impact living breathing Jewish persons In this study Ryan Tafilowski traces the thought of the Lutheran theologian Paul Althaus 1888 1966 who once greeted the rise of Hitler as a gift and miracle of God as he negotiated the Jewish Question and its meaning for his understanding of Germanness across the Weimar Republic the Nazi years and the post war period In particular the study uncovers the paradoxical categories Althaus used to interpret the ongoing theological significance of the Jewish people whom he considered both an imminent threat to German ethnic identity and yet a mysterious cipher by which Germans might decode their own spiritual destiny in world history Sketching the peculiar contours of Althaus theology of Israel this study offers a fresh interpretation of the Erlangen Opinion on the Aryan Paragraph which is an important artifact not only of the Kirchenkampf but also of the complex and ambivalent history of Christian antisemitism By bringing Althaus into conversation with some of the most influential theologians of the twentieth century from Karl Barth and Emil Brunner to Rudolf Bultmann and Dietrich Bonhoeffer Tafilowski broadens the scope of his inquiry to vital questions of political theology ethnic identity social ethics and ecclesiology As Christian theologians must once again reckon with questions of national self understanding under the pressures of mass migration and resurgent nationalisms this investigation into the logic of ethno nationalist theologies is a timely contribution   **Wisconsin Lutheran Quarterly** ,2003
