**Faith** B&H Editorial Staff,2018-08-01 When Only the Truth Will Do Faced with real life tests whether to our reason or our reserves we more easily doubt than believe more quickly despair than trust But often our tentativeness to stand on the Word of God is less a lack of courage and more a lack of knowledge We know what we ve heard we know what we ve been told But what s the truth What does the Bible really say What can we grab onto by faith and never let go This book is an entire collection of biblical truth that deals with a specific area of life a specific need a specific topic a specific place where questions have always seemed more prevalent than answers But as each page attests the Scripture will always provide a firm place to dig in and defend Be sure of what s true and you ll feel a lot more sure of the next step *The Rule of Faith* Ephraim Radner,George Sumner,1998-06-15 This collection of essays presented at the 1997 Scholarly Engagement with Anglican Doctrine SEAD Conference counters some of today s New Testament scholarship particularly that of the Jesus Seminar Asserting that only canon and creed can render knowledge of God two generations of scholars speak for a retrieval of more traditional modes of interpretation by and for today s church The Rule of Faith features three keynote addresses by eminent New Testament scholar the Rev Dr Brevard S Childs Sterling Professor of Divinity at Yale University one of the most notable Biblical theologians in contemporary American Christianity It also contains works by several younger scholars many of whom studied with Dr Childs and represent an emerging generation of orthodox Christian leadership for the Episcopal Church including Ephraim Radner George Sumner Kathryn Greene McCreight Stephen Holmgren R R Reno Christopher Seitz Kendall Harmon William Witt and Chris Brown Their writings give voice to scholarly engagement with the creedal Christian faith in the Episcopal Church Essential Truths of the Christian Faith R. have the faith described in the Bible because they do not believe or practice what Jesus said If you love Me keep My commandments John 14 15 The Bible tells us salvation is by God s grace and is not earned by good works lest any man should boast Ephesians 2 8 9 But we are saved by grace through faith The danger we face is that our faith will die if we neglect our salvation by not living a life of obedience to God Hebrews 2 1 3 The examples and testimonies of the men and women we read about in Hebrews 11 show us we can believe God We should pray to God for faith and we should pray often for it Luke 18 1 Living a life of prayer Bible study and humble obedience to God clarifies and strengthens our faith

*Biblical Faith and American History* R. J. Rushdoony,2013-10-23 America was a break with the neoplatonic view of religion that dominated the medieval church The Puritans and other groups saw Scripture as guidance for every area of life because they viewed its author as the infallible Sovereign over every area America s fall into Arminianism and revivalism

Misusing Scripture Mark Elliott, Kenneth Atkinson, Robert Rezetko, 2023-03-31 Misusing Scripture offers a thorough and critical evaluation of American evangelical scholarship on the Bible. This strand of scholarship exerts enormous influence on the religious beliefs and practices and even cultural and political perspectives of millions of evangelical Christians in the United States and worldwide. The book brings together a diverse array of authors with expertise on the Bible, religion, history, and archaeology to critique the nature and growth of faith-based biblical scholarship. The chapters focus on inerrancy and textual criticism, archaeology and history, and the Bible in its ancient and contemporary contexts. They explore how evangelicals approach the Bible in their biblical interpretation, how biblical archaeology is misused to bolster distinctive views about the Bible, and how disputed interpretations of the Bible impact issues in the public square. This unique and timely volume contributes to a greater understanding and appreciation of how contemporary American evangelicals understand and use the Bible in their private and public lives. It will be of particular interest to scholars of biblical studies, evangelical Christianity, and religion in the United States. Seitz, 2011-10 An internationally renowned expert in canonical interpretation illuminates the two-testament character of Scripture and its significance for the

contemporary church     Reasons to Believe Scott Hahn, 2007-05-08 This book unravels mysteries corrects misunderstandings and offers thoughtful straightforward responses to common objections about the Catholic faith Bestselling author Scott Hahn a convert to Catholicism has experienced the doubts that so often drive discussions about God and the Church In the years before his conversion he was first a nonbeliever and then an anti Catholic clergyman In REASONS TO BELIEVE he explains the how and why of the Catholic faith drawing from Scripture his own struggles and those of other converts as well as from everyday life and even natural science Hahn shows that reason and revelation nature and the supernatural are not opposed to one another rather they offer complementary evidence that God exists But He doesn't merely exist He is someone and He has a personality a personal style that is discernible and knowable Hahn leads readers to see that God created the universe with a purpose and a form a form that can be found in the Book of Genesis and that is there when we view the natural world through a microscope through a telescope or through our contact lenses At the heart of the book is Hahn's examination of the ten keys to the kingdom the characteristics of the Church clearly evident in the Scriptures As the story of creation discloses the world is a house that has a Father a palace where the king is really present God created the cosmos to be a kingdom and that kingdom is the universal Church fully revealed by Jesus Christ
