**Scripture in the Jewish and Christian Traditions** Frederick E. Greenspahn, 1982 Richard P. McBrien Ancient Scripture in the modern world Krister Stendahl John Calvin's Exegesis of the Old Testament David L. Puckett, 1995-01-01 For anyone who wishes to understand the historical tensions that existed in Calvin's time with regard to the interpretation of scripture this book will be of great value For those who wish to understand Calvin's actual method of exegetical reasoning a largely unmined source of information that reveals what he most valued as an exegete this book will be invaluable *Taking Religion Seriously Across the Curriculum* Warren A. Nord, Charles C. Haynes, 1998-08-15 The authors chart a middle course in our war over religion and public education one that builds on a developing national consensus among educational and religious leaders While it is not proper for schools to practice religion or proselytize neither is it permissible to make them religion free zones Schools do not take religion seriously as the authors review of textbooks and the new national content standards makes clear In Part One they outline the civic constitutional and educational frameworks that should shape the treatment of religion in the curriculum and classroom In Part Two they explore major issues relating to religion in different domains of the curriculum in elementary education and in middle and high school courses in history civics economics literature and the sciences They also discuss Bible courses and world religions courses and explore the relationship of religion to moral education and sex education Note This product listing is for the Adobe Acrobat PDF version of the book

*When Judaism and Christianity Began. Vol. 2* Alan Avery-Peck, Daniel Harrington, Jacob Neusner, 2022-12-05 In these volumes top scholars in the study of religion celebrate the enduring heritage in learning bequeathed to coming generations by Anthony J. Saldarini 1941-2001 Twenty nine commemorative essays focus on the topical areas of formative Christianity and Judaism to which Dr Saldarini devoted his efforts earliest Christianity with special attention to the Gospels Judaism in late antiquity and the interchange between Judaism and Christianity then and now So too the disciplines represented in these pages match his history including archaeology literature religion and theology Recognizing the standards of learning set by Dr Saldarini in all of these areas the colleagues represented in these volumes memorialize him by following in the model he set of meeting the highest standards of the diverse fields that intersect in the study of Judaic and Christian antiquity The print edition is available as a set of two volumes 9789004136595

**Revelation and Mystery in Ancient Judaism and Pauline Christianity** Markus Bockmuehl, 2009-10-01 The theme of revealed heavenly mysteries was a commonplace in Judaism from which it passed on to Christianity Markus Bockmuehl outlines how this theme developed by showing where ideas of revelation and mystery coalesce An interesting and very thorough study *Journal of Biblical Literature* A thoughtful and illuminating study of a subject which rather surprisingly in the light of its centrality to the question of Christian origins has not hitherto been investigated in detail Whereas both revelation and mystery have been studied separately in the context of early Jewish and Christian literature Bockmuehl's original contribution is to examine the interconnectedness of the two

ideas Journal of Jewish Studies This book is an excellent contribution to biblical scholarship It synthesizes the light that a biblically based mystery sheds on revelation and revelation sheds on mystery Bockmuehl treats admirably many difficult passages and scholarly disputes He develops the progress of biblical understanding regarding revelation and mystery carefully balancing analysis with synthesis a talent that is somewhat rare of late Journal of Ecumenical Studies A most useful study Bockmuehl has brought together material from an enormously wide range of primary and secondary literature for which we are greatly in his debt Journal of Theological Studies For single authors like Philo Josephus and especially Paul Bockmuehl s studies significantly add to the discussion Religious Studies Review Bockmuehl examines the concepts of revelation and mystery not as distinct entities but in their theological interplay the revelation of heavenly mysteries This book s breadth and depth will repay the attentive reader Journal for the Study of the New Testament

**The Bible in Theology and Preaching** Donald K. McKim, 1999-05-05 Martyrdom from Exegesis in Hippolytus W. Brian Shelton, 2008-12-01 In the third century CE Emperor Septimius Severus unleashed a shocking and severe persecution against the Christian church Witnessing the fear and confusion in his congregations the presbyter Hippolytus crafted his Commentary on Daniel to encourage Christians confronted with the reality of martyrdom and persecution In a work which comes to us as the earliest orthodox Christian commentary on scripture Hippolytus interprets the text through allegory typology theodicy paraenesis and reflection to create a motif of martyrdom By doing so Hippolytus guides Christians in their communities as they stand heroically before the tribunal of Caesar like the Danielic characters stood before authorities in Babylon His purpose in the commentary is clearly pastoral arising from his role as presbyter to exhort his Christian congregations to prepare to be martyred for Christ amidst Roman persecution

**A Cosmic Leap of Faith** Vincent A. Pizzuto, 2006 Among the array of christologies embodied within New Testament literature the so called hymn of Colossians 1 15 20 offers a unique and invaluable contribution to contemporary theological and inter religious discourse This is because it conveys what is arguably the highest christological affirmation within the canon Pizzuto contends that the hymn is a creative and faith filled composition by the same deutero Pauline author of the Colossians epistle itself and demonstrates that there is an inextricable relationship between the chiasmic structure of Col 1 15 20 and a proper understanding of its provenance authorship and theology Although the hymn echoes theological motifs consistent with Second Temple Judaism and loosely reflects a number of syncretistic influences it is fundamentally the novelty of the Christ event the historical impact of Jesus of Nazareth that has been most influential in determining the christological categories of Col 1 15 20 and its larger epistolary framework Pizzuto thus defends the overall integrity of the hymn against those who would assert that it reflects a pre Christian or pre Colossians origin He concludes that Col 1 15 20 represents something of a leap beyond Pauline christology into a new and unequivocal conviction of the cosmic implications of the Cross

**Master Class on Being Human** Anthony Pinn, Brad Braxton, 2023-07-25 A conversation between 2 eminent Black thinkers on how to work together to make the world a better place despite deep religious differences Brad Braxton and Anthony Pinn represent two traditions Christianity and Secular Humanism respectively that have for centuries existed in bitter opposition For too long people with different worldviews have disparaged and harmed one another Instead of fighting each other Braxton and Pinn talk with listen to and learn from one another Their wide ranging conversation demonstrates the possibility of fruitful exchange that accounts for rather than masks their differences Written amid the Covid 19 pandemic threats to our democracy and national protests for racial justice A Master Class on Being Human shows us that constructive dialogue can help us pursue the common good without sacrificing our distinctive identities In conversations that are frank personal and deeply informed by scholarship Braxton and Pinn discuss topics that are urgent and immediate such as the ongoing violence against Black communities the rise of religiously unaffiliated communities the Black Lives Matter movement They also ponder those broader philosophical and theological questions that inform our politics and sense of what it means to be human the meaning of religion the stubborn dilemma of moral evil the power and problems of hope Braxton and Pinn invite us to join them in a master class as they strive to create a world where differences are not tolerated but instead celebrated In that kind of courageous classroom all can learn how to be better people who in turn transform the world into a better place

**An Ethos of Compassion and the Integrity of Creation** Brian J. Mills, Richard F. Wilson, 2004 This one volume commentary on the Old Testament including the Deuterocanonical literature is taken from the Mercer Commentary on the Bible Every book of the Old Testament receives full commentary treatment complete with an introduction and outline to each book followed by a commentary on each book This volume is the perfect

tool for students and teachers in that it provides the essential information in understanding the text and its meaning As such it is deal for introductory courses on the Old Testament Hebrew Bible or for individual or group study Walk in the Ways of Wisdom Elisabeth Schüssler Fiorenza, Shelly Matthews, Cynthia Briggs Kittredge, Melanie Johnson-DeBaufre, 2003-11-01 World renowned scholars honor Elizabeth Schüssler Fiorenza in this Festschrift The Hebrew Bible Frederick E. Greenspahn, 2008 In April of 2001 the headline in the Los Angeles Times read Doubting the Story of the Exodus It covered a sermon that had been delivered by the rabbi of a prominent local congregation over the holiday of Passover In it he said The truth is that virtually every modern archeologist who has investigated the story of the exodus with very few exceptions agrees that the way the Bible describes the exodus is not the way it happened if it happened at all This seeming challenge to the biblical story captivated the local public Yet as the rabbi himself acknowledged his sermon contained nothing new The theories that he described had been common knowledge among biblical scholars for over thirty years though few people outside of the profession know their relevance New understandings concerning the Bible have not filtered down beyond specialists in university settings There is a need to communicate this research to a wider public of students and educated readers outside of the academy This volume seeks to meet this need with accessible and engaging chapters describing how archeology theology ancient studies literary studies feminist studies and other disciplines now understand the Bible The Inspiration and Truth of Scripture Aaron Pidel, Aaron Pidel, SJ, 2023-05-05 What does it mean to say that Scripture is God's Word And just how true is the Bible Though sometimes dismissed as fundamentalist concerns these questions also sent twentieth century Catholic theology searching for a new paradigm of biblical inspiration Theologians repeatedly attempted to reconcile the traditional conviction that the Bible shares in the omniscience of its divine author with scholarly findings that suggested otherwise Joseph Ratzinger contributed both negatively and positively to this project deconstructing the regnant manualist models of inspiration and constructing an alternative inspired by St Bonaventure The result is an ecclesial model of surprising comprehensiveness and balance Indeed The Inspiration and Truth of Scripture concludes that Ratzinger's alternative provides the least inadequate paradigm currently on offer today The Inspiration and Truth of Scripture breaks new ground in several ways First it situates Ratzinger within a broader Catholic quest for a theology of inspiration showing his model offers advantages even relative to those proposed by modern theology's most eminent minds John Henry Newman Pierre Benoit Karl Rahner and David Tracy Secondly this book shows how Ratzinger's paradigm generates tests for identifying the perennially valid affirmations of Scripture and thus an approach to resolving disputed biblical questions Must one who accepts the authority of Scripture believe in the Devil Are the Marian dogmas really in Scripture To what extent does Jesus's prohibition of divorce still apply in today's changed social circumstances Just how historical are Gospel narratives like the Last Supper intended to be The result is a book that bridges the gap between normative theology and historical exegesis Overall The Inspiration and Truth of Scripture presents Ratzinger not as an unimaginative enforcer of

doctrinal conclusions but as a creatively faithful theologian whose reconfiguration of inspiration should serve as the point of departure for all future reflection on the subject      *Techniques and Assumptions in Jewish Exegesis Before 70 CE* David Instone Brewer, 1992
