**A Lector's Guide and Commentary to the Revised Common Lectionary, Year C** J. Ted Blakley, 2009-06-17 A Lector s Guide and Commentary assists those whose calling responsibility and privilege it is to proclaim the Word of God through the public reading of Holy Scripture It provides a brief reliable commentary for each lectionary reading and then offers suggestions for how the text can be delivered so that the biblical Story might have its full impact on the Christian community gathered for worship Pronunciations for unfamiliar words and

names are also included The Guide is for use by any congregation or tradition that follows the Revised Common Lectionary and even includes the adaptations authorized for use in The Episcopal Church Although designed first and foremost for lectors and lay readers the Guide has also been written with other groups and uses in mind For example it can be used to trigger discussions in a Sunday school class or small group Bible study or to serve as a resource for personal study reflection and devotion It can also assist lay Eucharistic ministers when delivering the Word and Sacrament to the homebound and hospitalized and even function as a first stop for preachers and teachers In short A Lector's Guide and Commentary is for anyone who wants to read the Bible with understanding

*Short Introductions to the Bible Readings for the Revised Common Lectionary, Years A, B & C* Bill Bennett, 2018-12-21 Would you like a simple quick way to engage with the RCL Old Testament Epistle and Gospel readings for each Sunday and other important days in the church calendar Bill Bennett's short introductions to each Bible reading will get you started There are several ways you can use this book As a preface to the Bible reading in a service Before delivering each Bible reading from the lectern read aloud the relevant short introduction given in this book The intention is to help congregation members to start to think their way into the meaning and significance of each Bible reading as it is being read to them The preacher will then usually expand on one or more of the Bible readings given from the lectern in their sermon or reflection As a courtesy it is suggested that the person delivering the Bible readings check with the preacher that he or she is happy for the particular short introduction s to be read There may be times when the preacher wishes to emphasise a different interpretation of a reading and would prefer that the introduction not be given As a sermon spark It is hoped that preachers will find the short introductions give them an initial idea or spark to set them on the way to writing a sermon For personal devotional reading In the days leading up to the next service you can read the short introductions and the relevant Bible passages as a personal devotion that will help you engage with the readings and sermon during worship If you can't be at the service treat the short introductions and Bible readings as your own time of worship In your church's weekly news bulletin Churches are welcome to include the short introductions in their weekly parish news bulletins Please credit them as shown on the copyright page Using the Scripture Index The Scripture Index shows all the occasions on which a Bible reading occurs in this book For ease of reference the index is sorted alphabetically by the name of the book of the Bible rather than the order in which the books appear in the Bible Notes on the contents of this book

**Psalms** This book does not include readings from the Psalms Some congregations include in their liturgy the Psalms set in the lectionary Others use different Psalms that they think better fit with the theme s of worship for the day Also congregations if they sing or chant them often repeat the same Psalm for 2-3 weeks so that people become acquainted with them Some churches don't use Psalms at all New Zealand Anglican Lectionary Te Maramataka The readings in this book mainly follow the pattern of the Anglican Lectionary Te Maramataka used in New Zealand Readers may find that are some regional international or denominational variations in the readings set for the Revised Common Lectionary used by their local church

About the Author Bill Bennett comes from a Southern Hawke's Bay farming background. He has served much of his ministry as an Anglican priest in rural parishes in the Diocese of Waiapu as well as in the Norwich and Lichfield Dioceses in England. He worked as Ministry Enabler and twice as Regional Dean in Hawke's Bay between 1994 and 2015. His interest in rural communities is reflected in his publications *God of the Whenua* an overview of rural ministry in New Zealand, *Seasons of the Land* and *The Shepherd's Call* both being prayers and liturgies for rural communities and *When the Tui Calls* an extended essay on rural ministry's origins and futures. He continues to write hymns and songs words and music. He is on the Editorial Board of the international periodical *Rural Theology*. Till its demise recently he was tutor in Rural Ministry Studies for the Ecumenical Institute for Distance Theological Studies EIDTS. He and his wife Wendy live in retirement in Napier New Zealand.

Common Worship Lectionary Austin Farrer, Leslie Houlden, 2024-05-16 Since the Common Worship Lectionary first came into use many short preaching aids have been published. They have ranged from brief notes to almost complete sermons. This new companion offers an understanding of some points of significance in each lection for every Sunday and for other major days. It combines the latest scholarship with the conviction that the text should address today's world squarely facing up to the difficulties that some passages may present to modern congregations. It does not aim to provide a substitute for sermon preparation but to stimulate reflection among those engaged in this work. This is a serious academic commentary on the readings by scholars who are also aware of the demands and purposes of preaching. The book provides the academic background knowledge essential for interpreting the texts, does not shirk difficult questions, stimulates the prospective preacher to see new ways of reading the text, covers the Anglican variations not dealt with in American commentaries.

*The Revised Common Lectionary* Augsburg Fortress, 2012 For twenty years now the Revised Common Lectionary RCL has been doing its work among us. It has had to win its way simply by its own excellence and by the appeal of the idea of reading the scriptures on Sundays and feast days in concert with other Christians in churches across the world as a sign of our unity in Jesus Christ from the introduction by Gordon Lathrop. This edition includes the definitive list of RCL citations together with a new comprehensive introduction and notes to the reading sets illuminating the origin and development of the lectionary that is explored weekly by thousands of preachers, worship leaders and students of scripture.
