Scripture And Metaphysics:

Scripture and Metaphysics Matthew Levering, 2008-04-15 This book makes a major contribution to contemporary theological and philosophical debates bridging scriptural and metaphysical approaches to the triune God Bridges the gap between scriptural and metaphysical approaches to biblical narratives Retrieves Aquinas's understanding of theology as contemplative wisdom Structured around Aquinas's treatise on the triune God in his Summa Theologiae Argues that intellectual contemplation is part of a broader spiritual journey towards a better understanding of God Contributes to the current resurgence of Thomistic theology in both Protestant and Catholic circles **God in Himself** Steven J.

Duby, 2019-12-31 How do we know God Can we know God as he is in himself Theologians have argued for the role of natural and supernatural revelation while others have argued that we know God only on the basis of the incarnation In this SCDS volume Steven J. Duby casts a vision for integrating natural theology the incarnation and metaphysics in a Christian description of God in himself **Scripture, Metaphysics, and Poetry** Robert MacSwain, 2016-04-01 This book offers a

critical edition of arguably the greatest work of English theology in the 20th century Austin Farrer's Bampton Lectures published as The Glass of Vision in 1948 Farrer was an interdisciplinary genius who made original contributions to philosophy theology and biblical studies as well as to our understanding of the role of imagination in human thought and Christian doctrine According to Farrer the three primary themes of these lectures are scripture metaphysics and poetry individually and in relation to each other The lectures defend his famous theory of divine revelation through images rather than propositions or events a provocative account of the place of metaphysical reasoning in theology and a literary approach to the Biblical text that was decades ahead of its time and is still controversial The Glass of Vision has generated a rich and interesting interdisciplinary conversation that has lasted for decades starting with commentators such as Helen Gardner and Frank Kermode In addition to Farrer's full text this critical edition also contains an introduction to the significance and context of Farrer's thought and a selection of thirty years worth of commentary by leading British and European theologians and literary scholars David Brown Ingolf Dalferth Hans Haug Douglas Hedley David Jasper and Gerard Loughlin Of interest to literary and biblical scholars theologians and philosophers this book holds particular value for those exploring the nature of imagination in contemporary thought and scholarship **The Trinity & the Bible** Scott R. Swain, 2021-09-29 Seeing the

Trinity in Scripture Orthodox Christians affirm and worship a triune God But how should this affect our reading of the Bible In The Trinity and the Bible Scott R. Swain asserts that not only does the Bible reveal the Trinity but the Trinity illuminates our reading of the Bible Swain reflects on method and applies a Trinitarian framework to three exegetical studies Explorations of three genres of New Testament literature Gospel epistle and apocalyptic display the profits of theological interpretation Through loving attention to the Scriptures one can understand and marvel at the singular identity and activity of the triune God Behind the Veil.
