Walter,2018-04-30 The mouth responsible for both physical and spiritual functions eating drinking breathing praying and confessing was of immediate importance to medieval thinking about the nature of the human being Where scholars have traditionally focused on the mouth s grotesque excesses Katie L Walter argues for the recuperation of its material everyday aspect Walter s original study draws on two rich archives one comprising Middle English theology Langland Julian of Norwich Lydgate Chaucer and pastoral writings the other broadly medical and surgical including learned encyclopaedias and vernacular translations and treatises Challenging several critical orthodoxies about the centrality of sight the hierarchy of the senses and the separation of religious from medical discourses the book reveals the centrality of the mouth taste and touch to human modes of knowing and to Christian identity **The Didache** Aaron Milavec,2003 In this study Aaron Milavec comprehensively examines how the first century pastoral manual known as the Didache enumerated the step by step training of converts for the full active participation in the earliest Jewish Christian communities Milavec shows how the Didache can in turn illuminate our understanding of how these first Christian men and women organized their community life socially religiously and politically in order to safeguard its members from the challenges of the surrounding Roman pagan society of the first century Mediterranean basin He argues not only that the Didache s textual and contextual clues demonstrate the document s organic unity from beginning to end but also that it dates from a period before the gospels were written and had gained acceptance BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Miss Marple: Christian Sleuth Isabel Anders,2012-12-31 The woman for others at the heart of Agatha Christie s classic mystery series *The Biblical Kierkegaard* Timothy Polk,1997 Placing Kierkegaard firmly within the Augustinian tradition of reading Scripture according to the Rules of faith and love Polk brings Kierkegaard s biblical hermeneutics into conversation with current postliberal narrative theology speech act theory canon contextual criticism reader response criticism feminist theology and political theology The Publishers' Trade List Annual ,1903 **Concord Cunningham** Mathew Halverson,1999-09-01 Contains twelve mystery stories including one about a stolen piece of art in which Concord Cunningham solves the case and prompts the reader to look up a specific Bible verse for the solution *Thrillers, Chillers, and Killers* Frank Krutnik,2025-05-13 Film noir is one of the most exciting and most debated products of studio era Hollywood but did you know that American radio broadcast many programs in the noir vein through the 1940s and 1950s These included adaptations of such well known films as The Maltese Falcon Murder My Sweet and Double Indemnity detective series devoted to the adventures of private eyes Philip Marlowe and Sam Spade and the spine tingling

anthology programs *Lights Out* and *Suspense Thrillers Chillers and Killers* is the first book to explore in detail noir storytelling on the two media arguing that radio's noir dramas played an important role as a counterpart to influence on or a spin off from the noir films Besides shedding new light on long neglected radio dramas and a medium that was cinema's major rival this scrupulously researched yet accessible study also uses these programs to challenge conventional understandings of the much debated topic of noir

**Jonah, the Federal Sleuth** Mitchell Lee, 2017-01-17 It sounds like the plot for a great novel A young man turns away from Christ and joins the Army where he works on helicopters before becoming an assassin for the CIA For Mitchell Lee however this is no fictional plot this is his life While he would try rededicating himself to the Lord he was ostracized from ministry work and became an investigator Eventually however he fled Indiana after corrupt informers tried to frame him for a crime that never occurred After contacting the FBI to clear his name the agency commissioned him as a street agent specializing in detecting assassination plots and crime rings He soon discovered that many criminals working for the government were using their status as informers to further their criminal enterprises As an FBI agent he prevented unconstitutional stings targeting militias and after quitting his former employer tried to kill him You'll discover that truth is stranger than fiction as well as the shortcomings of American democracy in *Jonah the Federal Sleuth*

**Solving Bible Mysteries** Dennis James Kennedy, 2000 Often a Bible passage's meaning is obvious But sometimes Scriptures seem incomprehensible even contradictory How do we as believers correctly interpret these puzzling passages The author of *What If Jesus Had Never Been Born* and *What If the Bible Had Never Been Written* takes an in depth look at passages of Scripture that are difficult to understand From an overview of the dichotomy of

faith versus works to the meaning behind I John 3 9 Whoever has been born of God does not sin NKJV Solving Bible Mysteries offers powerful insight on some of Christianity s challenging questions      **1998 Writer's Market** Kirsten C. **LUCIANITY** John Byer,2021-03-30 Lucianity the Perverse Religion of Christians is a book about the hidden history of the New Testament where it not only reveals the scripture s mysterious origin but also its very unique and clandestine creation In this book the reader will learn that Christianity the religion that people sincerely believe and practice today is not the religion of Christ Instead it is the religion of an overzealous disciple who was able to gain possession of every gospel and almost every epistle in addition to most of the other manuscripts related to early church affairs and then after the death of the apostolic authors edit and rewrite them to reflect his peculiar religious beliefs and philosophy For instance he conflated Jesus with God and called him Lord That disciple is identified as Lucius the Bishop of Cyrene who unfortunately never understood the spiritual nature of man the spiritual resurrection of Christ or the purpose for why God sent Christ on a mission to Earth As a consequence of ignorance and the lack of understanding by Lucius man has unknowingly accepted the false and unorthodox beliefs of Lucianity which have been incorporated into the creeds gospels epistles and a host of other bible related documents This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line and verse by verse All Christians who number in the billions today will be stunned and perplexed by his findings especially all the ministers who promote the Bible as the true word of God Some of it is and some of it isn t nevertheless this book identifies God s true word in Isaiah and Daniel and it even illustrates the exactness and preciseness of His word plus other prophetic scripture by the use of numerous exhibits since the detective believes a picture is worth a 1000 words Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple In like manner the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity or modern day desolation and usher in the resurrection of true Christianity Christians will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years and more particularly how they have been bamboozled and conned by a very clever disciple The Bible is the most sold and most read book in the entire world and yet not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive behind the scenes apostolic era Bishop In his

writings Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters not the spoken words of Jesus While looking over the Detective s shoulder the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy to understand scriptural analysis and a variety of exhibits As such reading the New Testament is generally a waste of time unless one has the persistence capability and patience to do a thorough time consuming focused multi year forensic exam like the one contained inside the pages of the book Lucianity No similar criminal investigation of the Bible has ever been completed and no similar book exists If a person is searching for just the facts regarding their Christian faith then the Detective assures all seekers of truth that they will know more about the Bible God Moses Isaiah Daniel and Christ i e the Anointed One of God after reading Lucianity than they ever will by reading Biblical scripture And more importantly if they truly understand the message of Jesus Christ as revealed within the pages of this book they should also learn something about themselves no matter their status rank position race or sex their incarnation is not an accident of nature but a self chosen deliberate purposeful spiritual event Just like Christ every man woman and child has come to Earth in order to fulfill a spiritual mission not to fulfill a short sighted worldly aspiration for material goods and wealth **Why Believe?, Change, Fun** Steve Wamberg, Annie Wamberg, Linda
