Short Short Short Stories:

Short! Kevin Crossley-Holland, 1998 The longest of the stories in this book is short and the shortest is just one sentence long Which means there are lots of stories a whole bookful to make you think laugh Shiver and think again **Micro Fiction** Jerome H. Stern, 1996 Ten years ago Jerome Stern director of the writing program at Florida State initiated the World's Best Short Short Story Contest Stories were to be about 250 words long first prize was a check and a crate of oranges Two to three thousand stories began to show up annually in Tallahassee and National Public Radio regularly broadcast the winner But more important the Micro form turned out to be contagious stories of this lack of length now dot the literary magazines The time seemed right then for this anthology presenting a decade of contest winners and selected finalists In addition Stern commissioned Micros persuading a roster of writers to accept the challenge of completing a story in one page Jesse Lee Kercheval has a new spin on the sinking of the Titanic Virgil Suarez sets his sights on the notorious Singapore caning George Garrett conjures up a wondrous screen treatment pitch and Antonya Nelson invites us into an eerie landscape Verve and nerve and astonishing variety are here with some wild denouements How short can a Micro be you wonder Look up Amy Hempel's contribution and you'll see *Collected Short Stories: Volume 1* W. Somerset Maugham, 1992-09-01 These 30 short stories comprising Somerset Maugham's first collection are set in locations ranging from England France and Spain to the silver sands of the South Pacific They include Rain The Three Fat Women of Antibes The Voice of the Turtle and Before the Party For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Short Stories** David Owens Short Stories, 2019-08-27 If you can't decide which new novel or nonfiction book to pick up here's another idea try reading a short story collection Rather than focus on a singular narrative these unique options weave together the voices of several writers or focus on multiple stories by an author you know and love Short stories are tiny windows into other worlds and other minds and other dreams They are journeys you can make to the far side of the universe and still be back in time for dinner *Library of Congress Subject Headings* Library of Congress, 2011 *Books and Beyond* Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction LGBTQ literature graphic novels manga and anime and

zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they re reading today and will appreciate its illumination of popular culture and contemporary social issues
