Padhraic Smyth

Short Story Criticism Criticism Of The Works Of Short Fiction Writers Volume 46:

The Creative Dialectic in Karen Blixen's Essays Marianne T. Stecher, 2014-03-06 This new study addresses the provocative essays of Karen Blixen Isak Dinesen an iconic figure in Scandinavia and the Anglo American world Celebrated for her literary tales Karen Blixen s essays offer sagacious reflections on three significant challenges of the twentieth century feminism Nazism and colonialism Karen Blixen 1885 1962 contributed to topical debates in Denmark particularly during the 1950s when her distinct voice on Danish radio became familiar to a nation of listeners Some of her lectures radio addresses and newspaper chronicles were later published as essays and now constitute a distinct genre within her work In this study Blixen s most important essays are critically examined for the first time The book demonstrates that a creative dialectic informs these essays an interplay of complementary opposites that Blixen sees as fundamental to human life and artistic creativity Whether exploring questions of gender and the status of the feminist movement or the reign of National Socialism in Hitler s Germany or colonial race relations under British rule in East Africa Blixen s observations are insightful witty and surprisingly progressive for an author notable for aristocratic sensibilities Blixen s essays are also framed by a dialectic method which develops an idea by drawing on opposing viewpoints in order to arrive at an original vantage point The Creative Dialectic of Karen Blixen s Essays builds on archival research historical study literary criticism and theory as well as bilingual readings of Blixen s renowned literary work For the first time in an English translation Karen Blixen s essay Blacks and Whites in Africa 1938 by award winning translator Tiina Nunnally appears in this publication **Twentieth-century Literary Criticism** Gale Research Company, 2006 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **Short Story Criticism, Volume 94** Jessica Bomarito, 2006-12 Annotation Each volume in this series presents biographical and critical information on four to eight short story writers and a historical survey of the critical response to their work A cumulative title index to the entire series is available separately included in subscription

Reading Alice Munro's Breakthrough Books J.R. (Tim) Struthers, Ailsa Cox, Corinne Bigot, Catherine Sheldrick Ross, What in terms of Alice Munro s creative artistry and creative power allowed her to become the first and only short story writer the first and only Canadian and just the thirteenth woman in history to win the Nobel Prize in Literature And exactly when during Munro s career did her artistry and power advance to ensure that she would earn such world wide renown The answers lie in studying the boldly innovative yet greatly under examined group of her four mid career breakthrough books Our volume therefore provides a carefully orchestrated analysis of Munro s subtle yet potent handling of form technique and style both within individual stories and across these special collections Reading Alice Munro s Breakthrough Books A Suite in Four Voices not only addresses a significant vacancy in Munro criticism and by extension in all short story criticism but equally importantly offers an exciting new model for how criticism can be collectively written Critical Survey of Short Fiction: Isaac Bashevis Singer , 2001 **Alice Munro** Robert Thacker, 2016-09-22 The awarding of the Nobel Prize in Literature to

the Canadian writer Alice Munro in 2013 confirmed her position as a master of the short story form This book explores Munro s work from a full range of critical perspectives focussing on three of her most popular and important published collections Hateship Friendship Courtship Loveship Marriage 2001 Runaway 2004 and her final collection Dear Life 2012 With chapters written by the world s leading critics of Munro s work the short story form and contemporary Canadian writing this book explores such themes as love and marriage sex fate gender and humor in her writings as well as her approaches to narrative form and autobiography In these three late collections Munro sharply articulates again and again the mysteries of being itself

Nineteenth-Century Literature Criticism, Volume 181 Kathy D. Darrow,2007-05 A convenient source of critical commentary on the careers and works of acclaimed authors who died between 1800 and 1899 A cumulative title index is published separately included in subscription

The Canadian Short Story Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany

A Study Guide for Frank R. Stockton's "Lady or the Tiger" Gale, Cengage Learning,2016-07-14 A Study Guide for Frank R Stockton s Lady or the Tiger excerpted from Gale s acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs

A Reader's Companion to the Short Story in English Erin Fallon,Rick Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2000-12-30 While the short story has existed in various forms for centuries it has particularly flourished during the last hundred years and especially in recent decades Though many outstanding novels have been written in the 20th century most of these writers have also published short fiction And in many cases their short stories exhibit a greater degree of coherence and integrity than their longer works The rise of creative writing programs in the 1960s helped fuel the growth of the short story and brought academic attention to it So too the

emergence of multiculturalism encouraged authors of diverse backgrounds to write about their cultures This reference is a guide to the contemporary English language short story Included are alphabetically arranged entries for roughly 50 English language short story writers from around the world such as Chinua Achebe John Barth Jamaica Kincaid Salman Rushdie and Amy Tan More than half the American writers profiled are from historically marginalized groups such as Jewish Americans African Americans and Asian Americans Most of these authors have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biographical material a brief review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory

Enjoying the Song of Term: An Psychological Symphony within **Short Story Criticism Criticism Of The Works Of Short Fiction Writers Volume 46**

In a world taken by displays and the ceaseless chatter of instantaneous transmission, the melodic elegance and mental symphony produced by the written term frequently fade into the back ground, eclipsed by the persistent sound and distractions that permeate our lives. However, set within the pages of **Short Story Criticism Criticism Of The Works Of Short Fiction Writers Volume 46** a marvelous literary prize brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this fascinating masterpiece conducts viewers on a psychological trip, well unraveling the concealed melodies and profound influence resonating within each cautiously constructed phrase. Within the depths of this touching assessment, we shall explore the book is main harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
