## Short Shorts:

*Fashion & Merchandising Fads* Frank Hoffmann, Beulah B Ramirez, 2014-06-23 Fads by nature and by definition are hard to capture yet Hoffmann and Bailey have captured over one hundred of the passing fashion fancies and merchandising miracles during America's short history in their latest collection of fads *Fashion Merchandising Fads* Life devoid of fads is impossible to imagine and the fads that do enter our lives become vehicles for amusement upon retrospection How long any fad stays in vogue is anybody's guess but Hoffmann and Bailey have again found those fads that somehow took root and flourished if only for a short period of time in America Concise entries describe each fad from its beginning to its demise and its devout followers Readers are sure to recognize many of the trends and fads collected in *Fashion Merchandising Fads* A browse through the contents will have readers smiling as they remember Alex Stroh's Beer Drinking Dog and Baby On Board Stickers Barbie Dolls and Celebrity Perfumes Convertibles Digital Watches and Drive In Banking Garfield G I Joe and Handbags for Men Knickers and Matchbox Cars The Model T and the Mustang Paper Dolls and Rubik's Cube Silly Putty the Slinky and Synthetics in Clothes Top Hats the Trilby and Twiggy VCRs Yuppies and Zubaz Each fad featured in *Fashion Merchandising Fads* is examined thoroughly and concisely by the authors They look at the historical setting how the trend became popular and the people most fascinated and involved with the trend References follow each entry to make further reading on each fad a relatively easy task for those intrigued by fads As fads enter and encompass society for a period of time this collection of fads arranged alphabetically is sure to captivate readers from beginning to end or in a world of fads from the A 2 Flight Jacket to the Zipper

Sissy Jacob Tobia, 2020-03-03 THE NATIONAL BESTSELLER Transformative If Tobia aspires to the ranks of comic memoirists like David Sedaris and Mindy Kaling Sissy succeeds The New York Times Book Review A Paperback Row Pick A heart wrenching eye opening and giggle inducing memoir about what it's like to grow up not sure if you're a boy b a girl c something in between or d all of the above A beautiful book honest and funny Trevor Noah

The Daily Show Sensational Tyler Oakley Jacob Tobia is a force Good Morning America A trans Nora Ephron both honest and didactic OUT Magazine A rallying cry for anyone who s ever felt like they don t belong Woman s Day As a young child in North Carolina Jacob Tobia wasn t the wrong gender they just had too much of the stuff Barbies Yes Playing with bugs Absolutely Getting muddy Please Princess dresses You betcha Jacob wanted it all but because they were a boy they were told they could only have the masculine half Acting feminine labelled them a sissy and brought social isolation It took Jacob years to discover that being a sissy isn t something to be ashamed of It s a source of pride Following Jacob through bullying and beauty contests from Duke University to the United Nations to the podiums of the Methodist church not to mention the parlors of the White House this unforgettable memoir contains multitudes A deeply personal story of trauma and healing a powerful reflection on gender and self acceptance and a hilarious guidebook for wearing tacky clip on earrings in today s world Sissy guarantees you ll never think about gender both other people s and your own the same way again *My Little Journal of Out-of-Body Experiences* Denise Martinson, 2009-11 This is not a book about how to teach out of body experiences OBEs There are many good books already written on how to induce them It is not about the history of OBEs Even though there have been numerous studies in the field that still challenges nonphysical existence such as near death experiences NDEs and other metaphysical subjects it is the OBE that aids in our growth and development and most especially our awareness about eternity Scientists who are unable to solve out of body experiences or near death experiences try to explain them as the body s way of tricking itself into believing it lives after death They say it is the loss of oxygen to the brain or a psychological episode that causes hallucinations When in truth we leave our bodies every single night not under any defense apparatus but our natural nightly ritual called dreams which are really out of body experiences In fact an NDE is not necessary in order to have an OBE or being ill or under drugs but they still may bring them on Some researchers believe the mind separates while in the OBE or altered state of consciousness This is because consciousness has the ability to be in two places at once Just like when we were born we had to grow and learn and while this was happening the mind acquired new knowledge as it traveled on the other side In other words our soul stays with the body except during an OBE until we pass over because it is the body that shuts down and dies not the soul or consciousness It releases itself completely to the other side after death During an OBE I still had my body all five of my senses and an extremely alert and a sharp mental state They have helped me to never fear death In fact each experience enriched my life even more Especially when I was quiet and was able to tune into the energy within where I easily entered other dimensions and received guidance Believe me it is not easy to write a book about OBEs It is not an everyday subject to focus on or for us to understand But once the reader enters my journal of out of body experiences they will journey with me to the other side visit other dimensions see the light and hopefully be able to understand their own spirituality along the way Note The Brain Bits sections have the most information and answers many questions Even the great Edgar Cayce once said that other people could leave their bodies like he did
