following 1 degree 50 West up Britain No other north south straight line goes through so many ancient sites of such significance Was it just a suggestive coincidence or were they built intentionally Twigger walks the line which takes him through Birmingham Halifax and Consett as well as Salisbury Plain the Peak district and the Yorkshire moors With a planning schedule that focused more on reading about shamanism and beat poetry than hardening his feet up he sets off ever hopeful He wild camps along the way living like a homeless bum with a heart that starts stifled but ends up soaring with the beauty of life He sleeps in a prehistoric cave falls into a river crosses a suicide viaduct and gets told off by a farmer s wife for trespassing but in this simple life he finds woven gold He walks with others and he walks alone ever alert to the incongruities of the edgelands he is journeying through **The British National Bibliography** Arthur James Wells,1998
