Shortcut To Wealth:

The Shortcut to Wealth Guigu Jushi, 2025-09-05 Coming from a poor remote village in China I overcame significant challenges to earn a Ph D in Computer Science in the United States While raising three children I was able to achieve financial freedom just 15 years after completing my graduate studies Based on my eighteen years of investing experience and drawing from hundreds of my blog articles this book offers a proven easy to follow guide for managing your personal finances and achieving financial independence It is written for new investors those frustrated with their current results or anyone who simply lacks the time to learn complex investing strategies This comprehensive guide covers the most critical topics in personal finance including asset allocation fund selection retirement account optimization and tax savings I provide specific actionable strategies for both the wealth building and wealth preservation phases of life My straightforward approach can be easily implemented by anyone The book is also a major expansion and revision of a free e book I wrote which has been downloaded and praised by hundreds of thousands of readers worldwide I believe this book provides a clear simple road map to financial independence and will be a valuable tool for your family s financial future **Shortcut to Wealth** Eugene W. Dowdle, 1978-01 *The Millionaire Fastlane* MJ DeMarco, 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity a dream stealing soul sucking dogma known as The Slowlane your plan for creating wealth You know how it goes it sounds a lil something like this Go to school get a good job save 10% of your paycheck buy a used car cancel the movie channels quit drinking expensive Starbucks mocha lattes save and penny pinch your life away trust your life savings to the stock market and one day when you are oh say 65 years old you can retire rich The mainstream financial gurus have sold you blindly down the river to a great financial gamble You ve been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets the housing market the stock market and the job market This impotent financial gamble dubiously promises wealth in a wheelchair sacrifice your adult life for a financial plan that reaps dividends in the twilight of life Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE HOPE you can find a job and keep it HOPE the stock market doesn t tank HOPE the economy rebounds HOPE HOPE and HOPE Do you really want HOPE to be the centerpiece for your family s financial plan Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do versus what you can For those who don t want a lifetime subscription to settle for less and a slight chance of elderly riches there is an alternative an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there Why jobs 401 k s mutual funds and 40 years of mindless frugality will never make you rich young Why most entrepreneurs fail and how to immediately put the odds in your favor The real law of wealth Leverage this and wealth has no choice but to be magnetized to you The leading cause of poorness Change this and you change everything How the rich really get rich and no it has nothing to do with a paycheck or a 401K match Why the guru s grand deity compound interest is an

impotent wealth accelerator Why the guru myth of do what you love will most likely keep you poor not rich And 250 more poverty busting distinctions Demand the Fastlane an alternative road to wealth one that actually ignites dreams and creates millionaires young not old Change lanes and find your explosive wealth accelerator Hit the Fastlane crack the code to wealth and find out how to live rich for a lifetime

Law and Policy for China's Market Socialism John Garrick, 2012 This edited volume presents fresh empirical research on the emerging outcomes of China's law reforms The chapters examine China's going out policy by addressing the ways in which the underpinning legal reforms enable China to pursue its core interests and broad international responsibilities as a rising power The contributors consider China's civil and commercial law reforms against the economic backdrop of an outflow of Chinese capital into strategic assets outside her own borders This movement of capital has become an intriguing phenomenon for both ongoing economic reform and its largely unheralded underpinning law reforms The contributors ask probing questions about doing business with China and highlight the astonishing escalation of China's outbound foreign direct investment OFDI *Law and Policy for China's Market Socialism* includes contributions from leading China law scholars and specialist practitioners from the People's Republic of China Hong Kong the United States the United Kingdom and other countries who all extend the examination of powerful influences on China's law reforms into new areas Given the forecast for the growth of China's domestic market those wishing to gain a better understanding and seeking success in the world's most dynamic marketplace will benefit greatly from reading this book This book is essential reading for anyone interested in Chinese economics and business Chinese Law Chinese politics and commercial law

Anxious Wealth John Osburg, 2023-05-25 An ethnographic study of China's new elites and their rarified world of debauchery and corruption A must have book for China studies Choice This pioneering investigation reveals the private lives and the nightlives of the powerful entrepreneurs and managers redefining success and status in the Chinese city of Chengdu For more than three years anthropologist John Osburg accompanied wealthy Chinese businessmen as they courted clients partners and government officials Now he invites readers along on his journey through the highly gendered world of luxury karaoke clubs saunas and massage parlors places designed to cater to the desires of elite men Within these spaces a masculinization of business is taking place Osburg details the complex code of behavior that governs businessmen as they go about banqueting drinking gambling bribing exchanging gifts and obtaining sexual services These intricate social networks

play a key role in generating business performing social status and reconfiguring gender roles Yet underneath the facade many entrepreneurs feel trapped by their obligations and moral compromises in this evolving environment Osburg examines their deep ambivalence about China's future and their own complicity in the major issues of post Mao Chinese society corruption inequality materialism and loss of trust
