

FRANZ SCHUBERT

SHORTER WORKS FOR PIANOFORTE SOLO

Supplementing the Dover edition of Schubert's complete piano sonatas, this volume contains all of the remainder of Schubert's music for pianoforte solo (except the dances and a few unfinished pieces): the ever-popular "Wanderer" Fantasy, Opus 15; the Schumannopus (Opp. 90 and 102), experimental forerunners of one of the typical genres of the later Romantic composers; the Moments Musicaux, Opus 98; the Adagio and Rondo, Opus 145; and numerous variations, scherzi, and other short pieces.

The music is photographically reprinted from the Breitkopf & Härtel *Schubert-Gesamtausgabe*, still considered the standard, authoritative edition of Schubert's music.

Notheads in this edition have been reproduced in a size large enough to be read easily at the keyboard, and margins and spaces between staves are conveniently wide to permit written notes, harmonic analysis, fingerings, and running measure numbers. Essential to all classical pianists, this edition is also practical for study, reference, enjoyment—virtually any use.

Unabridged, unaltered republication of Series 11 of Franz Schubert's *Werke* (Breitkopf & Härtel, 1868). Edited by Julius Epstein. v + 199pp. 9¾ x 12¼. Paperbound.

Free Dover Music Catalog (500077) available upon request.
