Shostakovich A Life Remembered

Larry E. Holmes

Shostakovich A Life Remembered:

Shostakovich Elizabeth Wilson, 2006 This edition draws on many new writings about Shostakovich providing both a more detailed and focused image of his life and a wider view of his cultural background A particular aspect of Shostakovich which is revealed is his sardonic and witty sense of humour displayed in many of his letters to close friends **Shostakovich**

Elizabeth Wilson, 2006-09-03 This new edition produced to coincide with the centenary of Shostakovich's birth draws on many new writings on the composer In doing so it provides both a more detailed and focused image of Shostakovich's life and a wider view of his cultural background P 4 of cover *Shostakovich* Elizabeth Wilson, 1994-01-01 This book is a unique study of the great composer drawn from the reminiscences and reflections of his contemporaries The author sheds light on the composer's creative process and his working life in music and his influence on soviet musical life *A Shostakovich Casebook* Malcolm Hamrick Brown, 2020-06-30 A collection of writings analyzing the controversial 1979 posthumous memoirs of the great Russian composer at their significance In 1979 the alleged memoirs of legendary composer Dmitry Shostakovich 1906 1975 were published as *Testimony The Memoirs of Dmitry Shostakovich As Related to and Edited by Solomon Volkov* Since its appearance however *Testimony* has been the focus of controversy in Shostakovich studies as doubts were raised concerning its authenticity and the role of its editor Volkov in creating the book *A Shostakovich Casebook* presents twenty five essays interviews newspaper articles and reviews many newly available since the collapse of the Soviet Union that review the case of Shostakovich In addition to authoritatively reassessing *Testimony*'s genesis and reception the authors in this book address issues of political influence on musical creativity and the role of the artist within a totalitarian society Internationally known contributors include Richard Taruskin Laurel E Fay and Irina Antonovna Shostakovich the composer's widow This volume combines a balanced reconsideration of the *Testimony* controversy with an examination of what the controversy signifies for all music historians performers and thoughtful listeners Praise for *A Shostakovich Casebook* A major event This *Casebook* is not only about Volkov's *Testimony* it is about music old and new in the 20th century about the cultural legacy of one of that century's most extravagant social experiments and what we have to learn from them not only what they ought to learn from us Caryl Emerson Princeton University *Dmitry Shostakovich* Pauline Fairclough, 2019-09-15 Dmitry Shostakovich was one of the most successful composers of the twentieth century a musician who adapted as no other to the unique pressures of his age By turns vilified and feted by Stalin during the Great Purge Shostakovich twice came close to succumbing to the whirlwind of political repression of his times and remained under political surveillance all his life despite the many privileges and awards heaped upon him in old age Through it all Shostakovich showed a remarkable ability to work with rather than against prevailing ideological demands and it was this quality that ensured both his survival and his musical posterity Pauline Fairclough's absorbing new biography offers a vivid portrait of Shostakovich Featuring quotations from previously unpublished letters as well as rarely seen photographs

Fairclough's book provides fresh insight into the music and life of a composer whose legacy above all was to have written some of the greatest and most cherished music of the last century

Warped Mourning Alexander Etkind, 2023-05-25 A superb study of Russian cultural memory makes all too clear ghosts of the unburied dead affect literature art public life and mental health too The Economist After Stalin's death in 1953 the Soviet Union dismantled the enormous system of terror and torture that he had created But there has never been any Russian ban on former party functionaries nor any external authority to dispense justice Memorials to the Soviet victims are inadequate and their families have received no significant compensation This book's premise is that late Soviet and post Soviet culture haunted by its past has produced a unique set of memorial practices More than twenty years after the collapse of the Soviet Union Russia remains the land of the unburied the events of the mid twentieth century are still very much alive and still contentious Alexander Etkind shows how post Soviet Russia has turned the painful process of mastering the past into an important part of its political present Every page contains fresh striking insights not only in the intrinsic value of art itself but more significantly in the process of mourning This brilliant book will be indispensable for scholars of mourning theories Choice There is undoubtedly much that is new and exciting in this study of the impact of state violence on the form and content of art and scholarship in post Stalin Russia Russian Review A fascinating and haunting study of how successive Kremlin leaders and the intelligentsia have explained the Gulag and Stalin's crimes Strategic Europe

Win or Else Larry E. Holmes, 2024-04-30 In Win or Else Larry E Holmes shows us how Soviet football culture regularly disregarded official ideological and political imperatives and skirted the boundaries between socialism and capitalism In the early 1920s the Soviet press denounced football as a bourgeois sport that was injurious to both mind and body Within that same decade however it blew up becoming the most popular spectator sport in the USSR and growing into a fiercely competitive business with complex regional and national bureaucracies a strong international presence and a conviction that victory on the field was also a victory of Soviet supremacy Writing as both historian and fan Holmes focuses his study on the provincial Kirov team Dinamo from 1979 to 1985 when the club played at both its worst and its best Spurred by a dismal 1979 season the team's administrators and regional authorities had two options obey Moscow's edict to reduce expenditures on professional sports or seek out new and often illicit funding sources to fill out a team of champions Drawing on rich archival materials as well as newspapers and interviews with former players Win or Else reveals the foundations of Soviet sports culture and the hazards that teams faced both in victory and in loss

Biography: A Very Short Introduction Hermione Lee, 2009-07-09 Biographies are one of the most popular and best selling of the literary genres Why do people like them What does a biography do and how does it work This Very Short Introduction examines different types of biographies why certain people and historical events arouse so much interest and how they are compared with history and fiction

Notes for Cellists Miranda Wilson, 2024-11 Notes for Cellists A Guide to the Repertoire is a collection of accessible essays about key compositions for the cello from the seventeenth century to the

present Each essay provides historical context and a brief analysis of a composition This book will be of interest to enthusiasts of the cello and students of all levels seeking to enrich their understanding of cello music and a much needed reference guide for teachers and professional players **Voices** Juan Fernando Botero-Garcia, Kathryn Vincent, 2011-07-12

Voices Postgraduate Perspectives on Inter disciplinarity was created out of a compilation of papers presented at the University of Aberdeen s annual College of arts and Social Sciences Postgraduate Conference more widely known as Moving Forward This conference reached its sixth year in 2009 Both the conference and proposed collection incorporate the colleges of Divinity History and Philosophy Education Language and Literature Law Social Sciences Music and Business Moving Forward is an annual event sponsored by the College of Arts and Social Sciences University of Aberdeen and the Roberts Fund Given the variety of papers received for and the number of disciplines involved in this project it was deemed that a theme of voice would be particularly appropriate This theme attempts to incorporate the interdisciplinary approach taken both within the selection of papers and within the papers themselves Voice is approached in a variety of manners not only referring to the sound produced from the human vocal cords or the literary tool of an author but also through the works of a musical artist or by using unique research methods to understand the perspectives of those lacking a public voice This work seeks to demonstrate an entire range of what voices may do and how they are experienced
