Shoulder The Sky A Novel Of World War I:

Shoulder the Sky Anne Perry, 2005-08-30 In the firmament of great historical novelists Anne Perry is a star of the greatest magnitude First there were her acclaimed Victorian mysteries sparkling with passion and suspense Now readers have embraced this bestselling new series of World War I novels which juxtapose the tranquil life of the English countryside with the horrors of war By April of 1915 as chaplain Joseph Reavley tends to the soldiers in his care the nightmare of trench warfare is impartially cutting down England's youth On one of his rescue forays into no man's land Joseph finds the body of an arrogant war correspondent Eldon Prentice A nephew of the respected General Owen Cullingford Prentice was despised for his prying attempts to elicit facts that would turn public opinion against the war Most troublesome to Joseph Prentice has been killed not by German fire but apparently by one of his own compatriots What Englishman hated Prentice enough to kill him Joseph is afraid he may know and his sister Judith who is General Cullingford's driver and translator harbors her own fearful suspicions Meanwhile Joseph and Judith's brother Matthew an intelligence officer in London continues his quiet search for the sinister figure they call the Peacemaker who like Eldon Prentice is trying to undermine the public support for the struggle and as the Reavley family has good reason to believe is in fact at the heart of a fantastic plot to reshape the entire world An intimate of kings the Peacemaker kills with impunity and his dark shadow stretches from the peaceful country lanes of Cambridgeshire to the twin hells of Ypres and Gallipoli In this mesmerizing series Anne Perry has found a subject worthy of her gifts Illuminating the murderous conflict whose violence still resounds in our consciousness as well as the souls of men and women who lived it *Shoulder the Sky* is a taut inspiring masterpiece **Long spoon lane : a novel**

police inspector Thomas Pitt take on the seemingly irreproachable upper crust March clan and uncover an insidious web of corruption and depravity that leads them from the elegant Crescent town house to the hideous London slums and from genteel society to murder again *Silence in Hanover Close* Anne Perry, 2011-10-04 When Inspector Thomas Pitt is asked to reopen a three year old murder case that had taken place in London's luxurious Hanover Close he is all too aware that his superiors want him to simply smooth things over But penetrating the reserve of high society households will take more finesse than Pitt can muster Enter Charlotte Pitt his wellborn wife and her sister Emily As the social equals of the inhabitants of the Close the women are privy to conversations that would never reach the ears of a mere policeman What they find is a secret so shocking it will lead to more deaths including quite possibly Pitt's own
