SHOW ME THE WAY

READINGS FOR EACH DAY OF LENT

"Why O Lord, is it so hard for me to keep my heart directed toward you? Why does my mind wander off in so many directions, and why does my heart desire the things that lead me astray? Let me sense your presence in the midst of my turmoil. Take my tired body, my confused mind, and my restless soul into your arms and give me rest, simple quiet rest."

Show Me The Way Readings For Each Day Of Lent:

Show Me the Way Henri J. M. Nouwen, 2005 he longing expressed in the Psalms by those seeking God is the same as the longing of those who are on the pilgrim s road of faith today The search for the way is a recurrent theme in Henri Nouwen s writing and his books serve as road signs pointing the way to decisive commitment to deep love of God and of each other This book allows us to follow the forty day path through Lent in the company of Henri Nouwen For every day of Lent from the solemn beginning of Ash Wednesday to the joyous climax of Easter it contains a carefully selected piece from the best of his writing In Henri Nouwen we will find a reliable guide for our Lenten journey of reflection and prayer He invites us to dare once more to choose the narrow but joyful path of Jesus **The Living Church** ,1977 **To the Table** Lisa Graham McMin, 2015-12-29 With the growing farm to table movement and popularity of local farmers markets we are becoming more conscious of where our food originates This spirituality of eating and food helps us reflect on current realities and understand how eating forms our souls inwardly upwardly and outwardly The author offers practical guidance on what it means to eat alone or in community with more intention compassion humility and gratitude She also tells the story of food as it transitions from seed to table Sidebars contain gardening and food tips recipes and food preservation guides End of chapter questions for individual and group use are included *Alleluia is the Song of the Desert* Lawrence D. Hart, 2004-02-25 This is no simple how to book but rather a profound challenge to consider a totally different kind of life Lawrence Hart approaches these life changes from several different angles each leading to the deep kind of knowing that is God s gift to the true seeker from the Foreword by Jean Dalby Clift For thousands of years deserts have been geographical centers of spiritual formation and direct encounter with God In Christian spirituality men and women seeking the kind of purification that leads to wisdom of the heart have sought out the desert places But the desert is also a state of mind or consciousness a spiritual practice an inner place where we come to have a first hand experience of God Designed for use by small groups or individuals the Lenten meditations in this book lead us to this interior desert The forty days of Lent are a time of metanoia repentance of emptying our hearts so that they can be filled with that love and presence of Christ we celebrate at Easter Entering Lent then can be imagined as entering the silence of a vast and empty desert that leads to an experience of alleluia What is essential in the spiritual life is of course not that we find a dry and sand blown country far from any geographical city but rather a desert place of the heart where spiritual transformation can occur Lent with its emphasis on taking spiritual inventory repentance renunciation and preparation for Easter is just such a desert In fact we can appropriately think of the forty days from Ash Wednesday to Easter Sunday as a Lenten desert **The Heavenly Party** Michele Guinness, 2018-10-19 Drawing upon her rich Jewish heritage Michele integrates sacred and secular using pilgrim festivals and symbol ritual and liturgy She explains what true celebration is with ideas and resources for celebration at home or in the wider community Christians should have the best parties Part One Explores what true celebration is and looks at

how Jesus loved to party Part Two Festival parties including anniversaries a weekly Sabbath events in the church calendar Includes suggestions for rituals prayers liturgies Part Three General ideas for celebration Includes suggestions on how to organise the celebration event Part Four 50 best celebration recipes Adapted from author s monthly cookery column in Woman Alive *Finding God in the Verbs* Jennie Isbell,J. Brent Bill,2015-02-10 Do you long for deeper communion with God Join Jennie Isbell and Brent Bill on this prayer journey into the deep waters of the Spirit This book offers companionship and guidance as you begin to notice consider and deepen your prayer experiences with refreshing exercises sprinkled through every chapter to offer you a fresh language for prayer Henri Nouwen Wil Hernandez,2006 Transcendence at the Table Julia Hurlow,2020-10-29 When is the last time you sat down for a meal to break bread with other people and experienced peace Throughout the arc of the scriptural narrative the word shalom is used as a way to speak of the way of peace This word shalom embodies the depiction of creation where all things would glorify to the Triune God as well as bear the image of the Triune God who seamlessly embraces love and belonging What if the universal space at a table is where shalom is experienced relationally What if the longing people have for love and belonging can be extended through hospitality at a table Unification can happen when invitations are extended to come participate and communicate at the table as a reflection of the Imago Dei **Tug of War** Wilmer G. Villacorta,2017-07-14 A treatment of power vulnerability and suffering in the life and ministry of mid career leaders offers a reminder of the need to rethink power The push and pull of power dynamics unless acknowledged and surrendered can impact leaders spirituality relationships character and ultimately their faithfulness in ministry To supplement countless books on leadership models techniques and motivation this book offers a counter narrative of power informed by and embedded in the message of the cross it elaborates on a humble use of power and proposes a reframing of power as seen in Christ s downward ascent and cruciform strength This book is of critical importance in the field of ministry formation local and global because it probes to the very core of our human condition illuminating one of the chief perils in lives of position and leadership the misconstrual and misuse of power a reality that can be particularly destructive in spiritual and ministry contexts The larger Christian community will also find relevance in this message as leaders of every ilk share common challenges in the struggles of power and control You will find a very personal and deeply reflective treatment on our common human condition and an invitation to admit our inner and external struggles over the use and practice of power in ministry **Wounded Prophet** Michael Ford,2009-03-04 Henri Nouwen a Dutch Roman Catholic priest was one of the most beloved and important spiritual writers of the twentieth century Since his death in 1996 his stature has only increased and his books including *The Inner Voice of Love* *The Wounded Healer* and *The Return of the Prodigal Son* have become cherished classics For thousands of readers around the world Nouwen s influence as a teacher and author is considered equal to or greater than that of the century s great spiritual writers C S Lewis and Thomas Merton Although Nouwen could be radically revealing about his personal thoughts and struggles there are nonetheless gaps in our

understanding of who he was With Wounded Prophet readers are given the first extensive look into this man who touched so many not only through his own words but most powerfully through the eyes of those around the world who knew Nouwen best While researching this compelling biography BBC producer Michael Ford conducted wide ranging interviews with Nouwen s friends colleagues and family members What he discovered was far more compelling than what he had imagined Though Nouwen was indeed the generous and loving man many thought he was he was also never able to find consistent peace in his own life Tormenting him were profound feelings of anxiety insecurity and loneliness This portrait gives an honest and well balanced account of Nouwen s life that leaves no stone unturned investigating his childhood his family his sexuality and his life as a priest and member of the L Arche Daybreak community in Toronto
